2) To split your ticket - push up the pointer over each candidate you do not want and pull down the pointer over the corresponding candidate you do want.

3) If your party has nominated fewer candidates for any office than the number for which you are entitled to vote, you may vote for other candidates (from any party) for that office, up to the total allowed on the machine. You can turn down the proper number of pointers anywhere in that group, even though one be directly below or above the other.

TOWN MEETING REPRESENTATIVES

YOUR R.T.M. CANDIDATES WILL BE AT THE BOTTOM OF THE BALLOT AND MUST BE VOTED FOR INDIVIDUALLY. THEY ARE NOT INCLUDED IN A PARTY SLATE.

Since the R.T.M. is elected on a non-partisan basis, the League of Women Voters has deleted all references to political parties in the biographies of the candidates. The League recognizes the contributions individual citizens have made to the town through their activities in the political parties, but the League feels that this is not pertinent to the non-partisan character of the R.T.M. election.
