INTRODUCTION

THIS HANDBOOK PROVIDES INFORMATION AND GUIDANCE FOR TOWN OF WESTPORT NON-UNION EMPLOYEES REGARDING THE TOWN'S PERSONNEL POLICIES AND BENEFITS.

It does not apply to employees of the Westport Board of Education, the Westport Library or the Westport Weston Health District.

This Handbook has been written to assist you in understanding the practices and procedures of the Town of Westport (hereinafter "the Town") and applies to all employees. It is to be used as a reference to provide a general overview and is intended for informational purposes only.

THIS HANDBOOK IS NOT A CONTRACT OF EMPLOYMENT

This Employee Handbook is provided for informational purposes only. It should not be interpreted as a promise or guarantee to handle a situation in any particular way. No provision or portion of this Handbook constitutes an implied or expressed contract, guarantee, or assurance of employment or any right to an employment-related benefit or procedure. The Town reserves the right to change, modify, eliminate, or deviate from any policy or procedure in this Handbook at any time with or without notice.

It is the Town's policy that its relationship with its non-union employees is not for a fixed term or definite period and either the Town or the employee may terminate the relationship at any time, for any lawful reason or no reason, subject only to the notice and hearing requirement of the Town Charter. As such, no policy or provision in this Handbook or any other Personnel Department document, (including policies, procedures, memoranda or benefit plan descriptions,) is intended to create a contract binding the employee or the employer to an employment agreement for a specific period of time. No representative or agent of the Town, other than the First Selectman, can authorize or sign an employment agreement contrary to the above terms or otherwise make any binding offer of employment for a specific term whether orally or otherwise. To be effective, any agreement altering the nature of the employment relationship must be in writing and signed by the First Selectman.

No employee of the Town has the authority to make promises or statements to the contrary.

EXCEPTIONS AND THE RIGHT TO MODIFY, CHANGE, SUSPEND OR CANCEL

The Town reserves the right at any time and without notice to modify, change, suspend or cancel all or any part of this Handbook's contents. Policies specified in the Westport Town Charter may be modified, changed, suspended or cancelled only by amendments to the Charter. Exceptions to the provisions of this Handbook may only be authorized by the First Selectman.

HANDBOOK SECTIONS

I PERSONNEL POLICIES AND PROCEDURES FOR NON-UNION EMPLOYEES OF THE TOWN OF WESTPORT

These policies and procedures supersede all prior policies and procedures of the Town of Westport and apply to all non-union employees of the Town.

1.1 EQUAL EMPLOYMENT OPPORTUNITY/AFFIRMATIVE ACTION/ADA

It is the policy of the Town to provide equal employment opportunity to ensure that no person, employed or seeking employment with the Town, will be discriminated against on any basis including but not limited to religious creed, race, color, national origin, ancestry, marital status, sex, sexual orientation, gender identity or expression, military status, disability (including learning or mental disability), age, genetic information, or any other legally protected characteristics (except where such characteristics constitute a necessary bona fide position qualification) or any other legally protected status in accordance with state and federal law.

Equal employment opportunities will be provided in employment, recruitment, selection, compensation, benefits, promotion, demotion, layoff, termination and all other terms and conditions of employment.

The Town makes reasonable accommodations, if requested, in compliance with state and federal law. Any employee who believes he or she may require a reasonable accommodation for his/her disability, pregnancy, or religion must contact his or her department head and the Town's Personnel Director.

The Town will provide reasonable accommodations for employees due to pregnancy, which is defined to include pregnancy, childbirth, or a related condition, including but not limited to, lactation. The Town will not limit, segregate, or classify the employee in a way that would deprive her of employment opportunities due to pregnancy or discriminate against an employee or applicant on the basis of her pregnancy. Unless there is an undue hardship, the Town will make a reasonable accommodation for an employee or applicant due to her pregnancy. The Town will not force an employee or applicant affected by pregnancy to accept a reasonable accommodation if she does not have a known limitation related to her pregnancy or does not require a reasonable accommodation to perform the essential duties related to her employment. The Town will not require, although it may permit, an employee to take a leave of absence if a reasonable accommodation can be provided in lieu of such leave. The Town will not retaliate against an employee in the terms, conditions, or privileges of her employment based upon her request for a reasonable accommodation. Examples of reasonable accommodations may include being permitted to sit while working, more frequent or longer breaks, periodic rest, assistance with manual labor, job restructuring, light duty assignments, modified work schedules, temporary transfers to less strenuous or hazardous work, time off to recover from childbirth or break time and appropriate facilities for expressing breast milk.

The Town recognizes its moral responsibility and legal obligations to abide by the letter and spirit of equal employment opportunity laws and philosophy as found within federal and state laws, executive orders and judicial mandates.

Prejudice and its various manifestations cannot be eliminated by any policy the Town might adopt. However, the Town takes very seriously its responsibility to protect its employees as far as it is able, from any outward expressions of prejudice as may be exhibited on occasion within the work environment.

Quite often such expressions are made thoughtlessly, without any consideration that a fellow employee may be seriously offended or even outraged by such behavior.

Intolerance and insensitivity to another's feelings have been the reason for too much conflict and disharmony in the world already, and we ask that each and every employee make a conscious effort to eliminate any possible traces of these particular human failings from his/her life.

It is, and shall continue to be, the policy of the Town to fully investigate any complaint of sexual harassment and other types of harassment, or behavior that is considered to reflect prejudice against any employee because of religious creed, race, color, national origin, ancestry, marital status, sex, sexual orientation, gender identity or expression, military status, disability (including learning or mental disability), age, genetic information, or any other legally protected characteristics; and the Town shall consider any such behavior to be a serious matter and will take appropriate remedial action including disciplinary action when warranted. Complaints should be brought to the Personnel Director or the First Selectman's Office.

1.2 NATURE OF EMPLOYMENT

The Town of Westport does not guarantee employment for any specific period of time or for any specific type of work. As such, either the Town or the employee may terminate the relationship at any time, for any lawful reason or no reason. The Town of Westport Charter §C4-5, referenced under the section of this Handbook titled **TERMINATION**, outlines the notice and hearing rights of employees who are removed from their positions by the First Selectman.

1.3 EMPLOYMENT OF RELATIVES

The Town is concerned about the impact that employment of relatives may have on job performance. For this reason, the Town will not place one relative in a direct reporting relationship with another relative. The Town will attempt to accommodate employees who are or become relatives by transferring one relative to an available position in another department or location for which he or she is qualified. (This applies to all employees hired after 3/20/13)

Relatives are defined to include a spouse, siblings, children, step-children, parents, parents-in-law, grandparents, grandchildren, aunts, uncles and first cousins.

1.4 INTRODUCTORY PERIOD

All employees are subject to an introductory period when they are hired. For non-union employees the first six (6) months of employment are considered the normal introductory period, although that period may be extended (an additional 3 months) by the department head with the approval of

the First Selectman. If a current employee is promoted or transferred then the normal introductory period will be three (3) months, although that period may be extended (an additional 3 months) by the department head with the approval of the First Selectman. Typically during the introductory period, a two-way evaluation is conducted. The new employee decides whether or not he/she likes his/her job well enough to remain with the Town and the Town determines how well the new employee adapts and performs on the job, and whether further employment is warranted. Satisfactory completion of the introductory period does not entitle an individual to employment for any specific term, or any specific position but does allow the individual to participate in those Town sponsored benefit programs for which he or she becomes eligible.

1.5 ATTENDANCE

Regular attendance is extremely important to the operation of Town departments and an essential condition of employment. Excessive absenteeism and/or a pattern of absenteeism will not be tolerated and may subject the employee to disciplinary action up to and including termination.

If an employee is unable to report to work because of illness or injury or an emergency, he or she is required to telephone, or in some way notify his or her supervisor, within thirty (30) minutes prior to his or her normal scheduled arrival time. If an employee intends to be away from work for personal reasons, permission must be obtained from his or her supervisor in advance except in cases of extreme emergency.

1.6 PUNCTUALITY

Employees are expected to be at work on time prepared to begin working. Repeated tardiness, and/or a pattern of tardiness is not permitted and may subject the employee to disciplinary action up to and including termination.

Employees are required to use NOVAtime, POSS, Firehouse or any other Time and Attendance system used by the Town to account for their work time.

1.7 CONFLICT OF INTEREST

No employee of the Town shall participate in any official capacity in the hearing or decision upon any matter in which such person, spouse or other immediate family member has, directly or indirectly, a personal or financial interest. In the event of such disqualification, such fact shall be entered on the records of the commission or board.

Any employee of the Town shall disclose any financial interest or any personal beneficial interest, either directly or indirectly, in any contract or purchase order for supplies, materials, equipment or services furnished to or used by the Town. Such disclosure shall be immediate and thereafter shall be made annually to the Office of the Town Clerk of the Town of Westport. This disclosure shall not apply to the mere ownership of up to five percent (5%) of the outstanding shares of publicly traded companies.

No employee of the Town shall accept or receive, directly or indirectly, from any person, firm or corporation to which any contract or purchase order has been awarded by the Town, any money, or anything of value whatsoever, or any promise for future reward. This prohibition shall not apply to political contributions made in accordance with applicable laws and regulations, nor to items of de minimus value.

1.8 GIFTS

Except as provided below, employees shall not give or receive gifts to or from supervisors, staff or members of the public. Minor gifts given to Town departments that can be shared on the premises may be accepted (e.g. candy, cheese and crackers, food and flower arrangements). Beer, wine, malt beverages and distilled spirits are not to be accepted under any circumstances.

1.9 OUTSIDE ACTIVITIES

Employees are expected to use their best judgment, highest ethical standards and honesty in all of their business ventures and volunteer activities. If employees find themselves engaged in, or they expect to become engaged in, any activity, which might be considered a conflict of interest with their duties with the Town, they should speak to their department head or the Personnel Director.

1.10 SEXUAL HARASSMENT & ANTI-HARASSMENT POLICY

It is the policy of the Town to maintain a professional business environment and a workplace that is free from harassment and from any intimidation of a verbal or physical nature. The Town prohibits harassment of any employee, member of the public, visitor, vendor, or third party contractor by an employee, member of the public, third party contractor, vendor or visitor on the basis of race, religion, creed, color, national origin, ancestry, citizenship, sex, military status, age, marital status, sexual orientation, gender identity or expression, genetic information, disability (including learning or mental disability) or any other legally protected characteristic.

It is the goal of the Town to promote a workplace that is free of unlawful harassment including sexual harassment. Sexual harassment of employees occurring in the workplace or in other settings in which employees may find themselves in connection with their employment is unlawful and will not be tolerated by the Town. Further, any retaliation against an individual who has complained about sexual harassment or retaliation against individuals for cooperating with an investigation of a sexual harassment complaint is similarly unlawful and will not be tolerated. To achieve our goal of providing a workplace free from sexual harassment, the conduct that is described in this policy will not be tolerated and we have provided a procedure by which inappropriate conduct will be dealt with, if encountered by employees.

Definition of Sexual Harassment

In Connecticut, the legal definition for sexual harassment means any unwelcome sexual advances or requests for sexual favors or any conduct of a sexual nature when:

- 1) submission to such conduct is made either explicitly or implicitly a term or condition of an individual's employment,
- 2) submission to or rejection of such conduct by an individual is used as the basis for employment decisions affecting such individual, or
- 3) such conduct has the purpose or effect of substantially interfering with the individual's work performance or creating an intimidating, hostile or offensive working environment.

Under these definitions, direct or implied requests by a supervisor for sexual favors in exchange for actual or promised job benefits such as favorable reviews, salary increases, promotions, increased benefits, or continued employment constitute sexual harassment.

The legal definition of sexual harassment is broad and in addition to the above examples, other sexually oriented conduct, whether it is intended or not, that is unwelcome and has the effect of creating a work place environment that is hostile, offensive, intimidating, or humiliating to male or female employees may also constitute sexual harassment.

While it is not possible to list all those additional circumstances that may constitute sexual harassment, the following are some examples of conduct, which if unwelcome, may constitute sexual harassment depending upon the totality of the circumstances including the severity of the conduct and its pervasiveness:

- 1) Unwelcome sexual advances -- whether they involve physical touching or not;
- 2) Sexual epithets, jokes, written or oral references to sexual conduct, gossip regarding one's sex life; comment on an individual's body, comment about an individual's sexual activity, deficiencies, or prowess;
- 3) Displaying sexually suggestive objects, pictures, cartoons;
- 4) Unwelcome leering, whistling, brushing against the body, sexual gestures, suggestive or insulting comments;
- 5) Inquiries into one's sexual experiences; and,
- 6) Discussion of one's sexual activities.

All employees should take special note that, as stated above, retaliation against an individual who has complained about sexual harassment, and retaliation against individuals for cooperating with an investigation of a sexual harassment complaint is unlawful and will not be tolerated by the Town.

Complaints of Sexual Harassment

Any employee who feels he or she is being subjected to sexual harassment should immediately contact one of the persons below with whom the employee feels the most comfortable. Complaints may be made orally or in writing to:

- 1) The employee's immediate supervisor.
- 2) The employee's department head or other department heads.
- 3) The Personnel Director.
- 4) The First Selectman.

Sexual Harassment Investigation

When the Town receives the complaint, we will promptly investigate the allegation in a fair and expeditious manner. The investigation will be conducted in such a way as to maintain confidentiality to the extent practicable under the circumstances. Our investigation will include a private interview with the person filing the complaint and with any witnesses. We will also interview the person alleged to have committed the sexual harassment. When we have completed our investigation, we will, to the extent appropriate, inform the person filing the complaint and the person alleged to have committed the conduct of the results of that investigation.

If it is determined that inappropriate conduct has occurred, we will act promptly to eliminate the offending conduct, and where it is appropriate we will also impose disciplinary action.

Disciplinary Action

If it is determined that inappropriate conduct has been committed by one of our employees, we will take such action as is appropriate under the circumstances. Such action may range from counseling to termination from employment, and may include such other forms of disciplinary action as we deem appropriate under the circumstances.

State and Federal Remedies

While we encourage employees to file any complaints of sexual harassment with the Town through the above stated process, there are also state and federal agencies that investigate sexual harassment claims. If an employee believes he or she has been subjected to sexual harassment, he or she may file a formal complaint with either or both of the government agencies set forth below. Using the Town's complaint process does not prohibit an employee from filing a complaint with these agencies. Each of these agencies has a short period of time for filing a claim (EEOC – 300 days; CHRO 300 days for actions occurring after October 1, 2019).

1.11 GENERAL STANDARDS OF EMPLOYEE CONDUCT

As public service workers, employees are expected to subscribe to the highest standards of personal conduct in performing their duties.

The Town cannot anticipate all situations that may necessitate disciplinary action. As such, these rules are only a sampling of the kinds of conduct that may result in discipline. This should not be interpreted as an all-inclusive list and there may be other circumstances not enumerated below in which an employee may be subject to discipline. The Town reserves its right to terminate or

discipline any employee at its sole discretion as well as to determine the nature and level of discipline.

- Excessive/abusive absenteeism or tardiness or failure to report an absence.
- Commission of a criminal offense.
- Theft or attempted theft of another's property.
- Destruction of, or damage to, Town property or the intentional damage of property belonging to someone else.
- Unauthorized use of Town funds, equipment, vehicles or property.
- Insubordination, including any failure to comply with a work assignment or instructions given by any supervisor or disrespectful behavior toward a supervisor.
- Using obscene, abusive, or threatening language.
- Harassment or intimidation of any other employee, contractor, or member of the public.
- Failure to immediately report harassment or intimidation of any other employee, contractor, or member of the public.
- Failure to cooperate with an internal investigation.
- Dishonesty or falsification of Town records, including time sheets, employment applications and benefit applications. This includes signing in in or out for another employee, or allowing another to sign in for you.
- Immoral, indecent or unlawful conduct.
- Careless waste of materials or mishandling of supplies or equipment.
- Distributing, dispensing, possessing, selling, or using a controlled substance in the workplace or while engaged in Town business or on Town property.
- Being intoxicated or under the influence of legal, illegal or unauthorized prescription drugs in the workplace or during working time.
- Carrying or possessing a weapon of any kind on Town property.
- Gambling or soliciting gambling on Town property.
- Smoking in prohibited areas.
- Sleeping on the job.
- Horseplay, fighting or other disorderly conduct.
- Littering.
- Violation of safety regulations or creating hazardous or unsafe conditions.
- Unauthorized disclosure, use or theft of the Town's confidential information.
- Performance which does not meet the requirements of the position or the Town's expectations or that is otherwise unsatisfactory.
- Violation of any Town policy, practice, rule or procedure.

Nothing in this provision should be construed as modifying the nature of the employment relationship, which allows for termination for any reason or no reason. Further, the above standards are not intended to interfere with or restrain protected activity or to infringe upon employees' statutory rights.

1.12 ALCOHOL AND DRUGS – DRUG FREE WORKPLACE

It is the policy of the Town to create a drug-free workplace in keeping with the spirit and intent of the Drug-Free Workplace Act of 1988. The use of controlled substances (including alcohol, marijuana and illegal/prescription drugs, as defined in federal law, Schedules I – V of Section 202 of the Controlled Substances Act, 21 U.S.C. § 812, and 21 C.F.R. §§ 1300.11 - 15) is inconsistent with the behavior expected of employees, subjects all employees and visitors to our facilities to unacceptable safety risks, and undermines the Town's ability to operate effectively and efficiently. The unlawful manufacture, distribution, dispensing, possession, sale, or use of a controlled substance in the workplace or while engaged in Town business and on or in Town property, including Town vehicles, is strictly prohibited. Such conduct is also prohibited during non-working time to the extent that in the opinion of the Town, it impairs an employee's ability to perform on the job or threatens the reputation of the Town.

Notwithstanding the foregoing, the legal consumption, possession or sale of alcoholic beverages may be permitted by individuals twenty-one (21) years of age or older, including Town employees who are not on duty, at events approved by the Board of Selectmen or as may be permitted at recreational areas designated in the regulations of the Parks and Recreation Commission.

Employees convicted of controlled substance-related violations outside the workplace (including pleas of nolo contendere, i.e., no contest) must inform the Town within five (5) days of such conviction or pleas. The Town may impose disciplinary action, up to and including termination, and require employees who violate this policy to successfully complete a drug abuse assistance or rehabilitation program as a condition of continued employment. Employees may be referred to Employee Assistance Programs to deal with substance abuse issues or other personal problems. Personnel actions will be taken within 30 days of receipt of a report of conviction.

The Town, in compliance with the Act and with the goal of maintaining a drug free environment, has established the following Drug Free Awareness Program to help make employees aware of the dangers of drug abuse and the available counseling, rehabilitation, and employee assistance programs.

Employees needing help in dealing with drug and/or alcohol dependency are encouraged to use the Town's Employee Assistance Program ("EAP") and health insurance plans, as appropriate. EAP can be contacted by calling 800-252-4555 or 800-225-2527.

Employees are encouraged to contact Human Resources for more information on available programs and to obtain contact information for current providers.

The Town will provide on-going training and education for all employees through its EAP program. Such training and education will include information about this Policy, the consequences of violation the Policy, and available drug counseling and employee assistance programs.

Employees will be given a copy of this Policy and be kept informed of any further steps in our Awareness Program, including information on rehabilitation programs.

1.13 WORKPLACE THREATS & VIOLENCE POLICY

The Town regards the safety and security of its employees as critical. There is zero tolerance towards any threats, threatening behavior, or acts of violence against employees, visitors, guests, or other individuals on Town property or in relation to employment with the Town. It is the intent of this Policy to ensure that everyone associated with the Town, including employees and the public, never feel threatened by any employee's action or conduct. In addition to discipline, violations of this policy may be reported to the police and lead to criminal prosecution.

“Violence” includes physically harming another, shoving, pushing, harassing, intimidating, coercing, brandishing weapons (other than as appropriate for police personnel), and threatening or talking of engaging in those activities. The Town specifically prohibits the possession of dangerous or hazardous weapons, devices or substances by employees (other than appropriate police personnel) while on Town property or off-site while on Town business or at a Town activity. Town property includes parking lots. Therefore, a dangerous weapon may not be stored in an employee's vehicle while on Town property. Any individual who is uncertain whether an instrument or device is prohibited is obligated to request clarification.

For purposes of this Policy, prohibited conduct includes, but is not limited to, the following behaviors while at the workplace, on Town property, or while conducting Town business:

- Direct or indirect (veiled) threats, acts or gestures of violence or harm;
- Making inappropriate references to firearms, weapons, or any other dangerous or hazardous devices or substances;
- Physical assault or battery, actual or attempted, such as hitting or shoving an individual;
- Aggressive or unwanted contact, including horseplay;
- Threatening to harm an individual or his/her family, friends or associates, or their property;
- The intentional destruction or threat of destruction of property owned, operated, or controlled by the Town;
- Making harassing or threatening telephone calls, letters, or other forms of electronic or written communications (voice mail, e-mail, etc.).
- Stalking or harassing an individual(s).

Any employee who threatens another employee (such as harassment, intimidation, displaying a weapon, etc.), or engages in violent acts on Town property shall be removed from the premises as quickly as safety permits, and shall remain off Town premises pending the outcome of an investigation. The Town will initiate an appropriate response which may include disciplinary action, up to and including termination, and/or initiating legal proceedings.

All Town personnel are responsible for notifying the Personnel or First Selectman's office of any threats or other actions that they believe violate this policy, which they have witnessed, received, or have been told that another employee has witnessed or received. This includes behavior by employees, as well as by visitors or other members of the public. Employees are responsible for making this report regardless of the relationship between the employee and persons who initiated the threat or threatening behavior and the employee or persons who were threatened or were the

focus of the threatening behavior. If the designated management representative is not available, the employee should report the threat to his or her supervisor (or that individual's supervisor if the threat is made by the supervisor). There will be no retaliation against an employee who makes a good faith report under this Policy.

In an emergency, employees should not hesitate to contact the police by calling 911.

Employees with personal problems are encouraged to access the Town's Employee Assistance Program. By working together, EAP may assist in addressing potential violence before it occurs.

All individuals who apply for or obtain a protective or restraining order which lists Town locations as being protected areas, must provide to the designated management representative a copy of the petition and declarations used to seek the order, a copy of any temporary protective or restraining order which is granted, and a copy of any protective or restraining order which is made permanent.

The Town understands the sensitivity of the information requested and has developed confidential procedures, which recognize and respect the privacy of the reporting employee(s).

1.14 POLICY ON USE OF COMPUTER SYSTEMS

Purpose

This guideline establishes the policies and procedures for use of Town electronic equipment and computers, including all hardware, software, Internet access, E-mail, social media, telephone, cell phones, handheld computers (e.g. iPad), cameras, facsimile and voicemail (collectively, the "Computer Systems"). The Computer Systems are provided to employees to assist and facilitate Town business communications. Inappropriate use may result in loss of access privileges and/or disciplinary action, in accordance with the personnel handbook.

Privacy & Confidentiality

The Computer Systems and their contents are the property of the Town and they are intended for use in conducting official Town business. The Office of Information Technology (IT) will implement and enforce administrative procedures to assure the internal security of computerized data and networks.

Privacy in the use of the Computer Systems is not a reasonable expectation. All electronic messages are public records and may be subject to disclosure under the Freedom of Information Act (FOIA). Since messages may be retained at different locations or levels of the Computer Systems, users must remember that their messages can be retrieved. Therefore, discretion is an important consideration when using electronic messages to send, record and/or retain communications.

The Town has the right to access, and does access, any information on any Computer System at any time to monitor the use of the systems in accordance with all applicable federal and state laws, including Connecticut General Statute 31-48d. In this regard, the Town may require from employees, passwords to files that have been password protected. Employees are responsible for

safeguarding their passwords, which should not be printed, stored online, or given to others. Employees are responsible for all transactions made using their passwords.

Unacceptable Use of the Computer Systems

The Computer Systems shall not be used for the following purposes:

- Downloading onto any Computer System any material that is copyrighted and/or programs you are not licensed to use.
- Transmitting or distributing any software licensed to the Town.
- Hacking into any Computer System that you are not authorized to use.
- Installing programs on any computer without the approval and/or assistance of a member of the technical staff.
- Illegal activities, threats, harassment, sexual harassment, slander or defamation.

The Town recognizes that employees cannot control communications received through the Internet or emails and some communication may be received that are against this Policy. Employees should delete the items as quickly as possible and, where appropriate, contact person(s) sending the item to inform them that such items are unacceptable. You should know that certain violations of these rules, e.g. copyright violation, may also constitute a violation of state and or federal law.

Personal Use of Computer Systems

The Town recognizes family matters and emergencies may occur from time to time; in such instances use of the Computer Systems for personal matters is permitted. Otherwise, personal use must be occasional and shall not interfere with the employee's performance of his or her job duties. Employees may use the Computer Systems for personal use during non-working/unpaid hours. However, this does not include personal social networking systems; they should only be used by employees on their own equipment and own time. Employees who use off duty Internet systems and social networking venues should make sure they comply with the Town's Social Media Policy

and that they include a disclaimer stating that any opinions are the employees and not as an official of the Town or represents the Town's opinion. Employees are expected to comport themselves professionally on and off duty.

1.15 MEDIA POLICY

All press releases shall be issued through the First Selectman's Office unless previously authorized. Department heads or their designated representatives may speak to the media and provide requested documentation but should notify the First Selectman as soon as possible of such media contacts when they involve controversial or other matter they deem of interest to the First Selectman. All Freedom of Information Act requests shall be forwarded to the Town Attorney's Office for a response with a copy to the First Selectman's Office.

1.16 SOCIAL MEDIA POLICY

Purpose

The Town recognizes that online social media can be a highly effective tool for sharing ideas and exchanging information. However, use of social media also presents certain risks and carries with it certain responsibilities.

The Town adheres to all relevant constitutional rights, federal and state laws and regulations regarding electronic communications, including, but not limited to the Municipal Employee Relations Act. This Policy is not intended to interfere nor should be interpreted or applied in a manner that would interfere with an employee's right to engage in protected concerted activity.

Policy

This Policy governs social media utilized in the workplace as well as social media utilized for personal purposes. This policy applies to all employees who work for the Town.

A. General Social Media Guidelines

a) Definitions of Social Media

The Town defines social media broadly to include online platforms that facilitate activities such as professional or social networking, posting commentary or opinion, and sharing pictures, audio, video, or other content. Social media includes personal websites and all types of online communities (for example, Facebook, Google, Instagram, LinkedIn, Yelp, YouTube, Twitter, Blogs, message boards and chat rooms).

b) Employer-owned Electronic Communication Systems and Devices

The Town's electronic communication systems and devices should be used for business-related purposes and in compliance with the Town's *Policy on Use of Computer Systems*. Employees should not expect any privacy when using such systems and devices for social media purposes. Employees should review the Town's *Policy on Use of Computer Systems* regarding permitted use of the Town's electronic communication systems and devices.

c) **Use of Social Media**

The same principles and guidelines found in the Town's policies apply to your activities online. Ultimately, you are solely responsible for what you post online. Before posting online content, consider some of the risks and rewards that are involved. Keep in mind that any of your conduct that adversely affects your job performance or the performance of fellow employees or otherwise adversely affects members of the public, contractors, people who work on behalf of the Town or the Town's legitimate business interests may result in disciplinary action up to and including termination. Additionally, conduct that interferes with the Town's effective and efficient operation may also result in disciplinary action up to and including termination. Each situation will be addressed on a case-by-case basis consistent with the Town's Discipline Policy and in compliance with state and federal laws, regulations and constitutional protections.

Carefully read this policy, as well as other Town policies including, but not limited to, *Use of Computer Systems (page 11)*, *Equal Employment Opportunity/Affirmative Action/ADA (page 2)*, *Conflict of Interest (page 4)*, and *Sexual Harassment/Anti-Harassment (page 5)* policies. Ensure your postings are consistent with these policies. Inappropriate postings that may include discriminatory remarks, harassment, and threats of violence or similar inappropriate or unlawful conduct will not be tolerated.

Additional Guidelines to Follow:

- Be mindful that once content is posted online, it is no longer under your control; online postings can remain on the internet indefinitely and content posted to private websites does not always stay private.
- Violations of the Town's policies that occur via social media are subject to discipline in compliance with the Town's Employee Discipline Policy.
- Be fair and courteous to fellow co-workers, managers, members of the public, contractors, suppliers or people who work on behalf of the Town. Also, keep in mind that you are more likely to resolve work-related complaints by speaking directly with your co-workers or by utilizing our open door policy than by posting complaints to a social media outlet. If however, you decide to post complaints or criticism via social media, avoid using statements, photographs, and video or audio that reasonably could be viewed as malicious, obscene, threatening or intimidating, or that might constitute harassment or bullying. Examples of such conduct might include offensive posts meant to intentionally harm someone's reputation or posts that could contribute to a hostile work environment on the basis of race, sex, disability, religion or any other status protected by law or Town policy.
- Make sure that you are honest and accurate when posting information or news, and if you make a mistake, correct it quickly. Be open about any previous posts that you have altered. Remember that the internet archives almost everything; therefore, even deleted postings can be searched. Never post any information or rumors that you know to be false about the Town, fellow employees, residents, suppliers, or people working on behalf of the Town.

- Maintain the confidentiality of the Town’s private and/or confidential information.
- Do not create a link from your blog, website, or other social networking site to a Town website without identifying yourself as a Town employee.
- Refrain from using social media while on work time or on equipment provided by the Town unless it is work-related. Do not use Town email addresses to register on social networks, blogs or other online tools utilized for personal use.
- Express only your personal opinions. Never represent yourself as a spokesperson for the Town. If you do publish a blog or post online related to the work you do or subjects associated with the Town, make it clear that you are not speaking on behalf of the Town. It is best to include a disclaimer such as “The postings on this site are my own and do not necessarily reflect the views of the Town of Westport.”
- Do not engage in activities that violate federal and/or state law, ordinances or regulations when using social media.

The Town respects employee’s right to express personal opinions when using personal social media and does not retaliate or discriminate against employees who use social media for political, organizing, or other lawful purposes, such as activities protected under the Municipal Employee Labor Relations Act.

B. Social Media Use for Work Purposes

2.1 Official sites of the Town are maintained in an official social media site. Examples may include, but are not limited to:

- A. Facebook
- B. Twitter
- C. LinkedIn
- D. Blogs
- E. Instagram
- F. Google
- G. Snapchat

Information made public via the official social media sites must first be approved by your **Department Head** and must be in accordance with any state or federal laws. This includes digital imagery.

Negative posts by employees about personnel or other agencies are prohibited on the Town’s official social media sites.

The Town encourages employees to share information with co-workers and with those outside the Town for the purposes of gathering information, generating new ideas, and learning from the

work of others. Social media provide inexpensive, informal, and timely ways to participate in an exchange of ideas and information. However, information posted on a website is available to the public and, therefore, the Town has established the following guidelines for employee participation in social media.

Note: As used in this policy, “social media” refers to blogs, forums, and social networking sites, such as Twitter, Facebook, LinkedIn, YouTube, Instagram, and Google, among others.

Off-duty use of social media. Employees may maintain personal websites or web logs on their own time using their own facilities. Employees must ensure that social media activity does not interfere with their work. In general, the Town considers social media activities to be personal endeavors, and employees may use them to express their thoughts or promote their ideas.

On-duty use of social media. Employees may engage in social media activity during work time provided it is directly related to their work, approved by their manager, and does not identify or reference Town citizens, employees or elected officials without express permission. The Town monitors employee use of Town computers and the Internet, including employee blogging and social networking activity.

Respect. Demonstrate respect for the dignity of the Town, its citizens, elected officials, and its employees. A social media site is a public place, and employees should avoid inappropriate comments. For example, do not use ethnic slurs, personal insults, or obscenity, or use language that may be considered inflammatory. Even if a message is posted anonymously, it may be possible to trace it back to the sender.

Post disclaimers. If an employee identifies himself or herself as a Town employee or discusses matters related to the Town on a social media site, the site must include a disclaimer on the front page stating that it does not express the views of the Town and that the employee is expressing only his or her personal views. For example: “The views expressed on this website/Web log are mine alone and do not necessarily reflect the views of my employer.” Place the disclaimer in a prominent position and repeat it for each posting expressing an opinion related to the Town or the Town’s business. Employees must keep in mind that if they post information on a social media site that is in violation of Town policy and/or federal, state, or local law, the disclaimer will not shield them from disciplinary action.

C. Security and Monitoring of Social Media

As the Town owns and operates the Computer Systems, the Town monitors employee use of social media over its Systems and devices, whether accessed at work or elsewhere, to ensure that the Computer Systems and devices are being used in compliance with federal and state laws and regulations, this Policy, and other Town rules.

In addition to being subject to disciplinary action, employees who engage in illegal activity via social media over the Town’s electronic communication systems, whether at work or elsewhere, may be subject to appropriate legal action by the Town or other governmental entities.

All employees must secure their computers when leaving their work sites by locking the computer.

D. Reporting Violations

The Town encourages employees to use official Department communication tools to report all perceived or actual violations of Town policies, including violations of the Town's Social Media Policy. Employees can report actual or perceived violations to supervisors, other managers, or to the Town Personnel Department.

The Town prohibits taking negative action against any employee for reporting, in good faith, a possible deviation from this Policy or for cooperating in an investigation. Retaliation against an employee for reporting a possible deviation from this Policy or for cooperating in an investigation is strictly prohibited.

1.17 PERSONAL TELEPHONE CALLS

Employees are expected to limit their personal telephone calls during office hours and excessive time spent on personal calls is prohibited. The occasional personal use of Town telephones for outgoing calls is permitted

Personal cell phones must be used on a limited basis while the employee is performing his or her work duties. If possible, the phone should be put away during working hours.

1.18 NO SMOKING

In accordance with State law, the Town has implemented a No Smoking policy in all Town buildings and working areas and all Town trucks or vehicles. As such, there will be no smoking or use of tobacco products within Town facilities at any time, including, but not limited to, restrooms, employee lounges/break rooms, private offices, and similar areas within all Town facilities and offices.

Smoking is permitted outside of Town facilities at least 25 feet from the facility.

1.19 DRESS CODE

As an employee, you are also a representative of the Town in the eyes of the public. Therefore, it is important that you exercise good judgment and report to work properly groomed and wearing appropriate attire. It is expected and a necessary part of your job duties that you dress neatly and in a manner consistent with the nature of the work you are performing. Any employee who reports to work inappropriately dressed may be asked to leave and return properly groomed and attired.

Attire should be conducive to a professional environment, maintain decorum, and enable the employee to interact with the public and fellow employees in a professional manner.

When determining appropriate dress, employees are expected to consider, among other factors, the following:

- The nature of work;
- The nature of public contact, if any, and the normal expectations of the public;

- The safety considerations of the work environment (e.g. safety shoes, eye and ear protection, hard hats, high visibility safety-wear etc.) Employees are required to wear proper safety equipment at all times, with no exceptions; and
- Whether the appearance is distracting or disrespectful of other employees.

Acceptable attire includes slacks with shirts and sweaters or jackets for men and dresses, slacks or skirts with shirts, sweaters or jackets for women. For all employees, tee shirts, tank or halter tops, athletic shorts, sweat pants or other clothing more suitable for a gym, and worn or tattered clothing, including shoes or sneakers are not acceptable. All clothing should be clean and without rips or holes. If your position entails outside work, closed toed or safety shoes should be worn as directed by your department head. Employees that are provided with a uniform are required to wear such uniform.

1.20 FAMILY AND MEDICAL LEAVE

The Town is covered under the federal Family and Medical Leave Act ("FMLA") and complies with all FMLA requirements. This policy addresses FMLA leave for eligible employees who meet one or more of the qualifying reasons discussed below. Should a portion of this Policy be found to be inconsistent with the law, as amended, the language of the law shall prevail.

Employee Eligibility:

To be eligible for FMLA leave, employees must have worked for the Town for twelve (12) months and have worked at least 1,250 hours in the twelve (12) months prior to taking FMLA leave.

Previous periods of employment with the Town may be counted to meet the 12-month service requirement under certain conditions. Thus, seasonal employees and rehired employees may be eligible for leave.

Reasons for FMLA Leave:

Eligible employees can take up to twelve (12) weeks of unpaid FMLA leave in a twelve (12)-month period:

- for the birth and to care for a newborn child;
- for the placement of a child with them for adoption or foster care;
- because they want to care for their spouse, child, or parent who has a serious health condition;
- because their own serious health condition prevents them from performing their job duties; or
- for qualifying exigencies (e.g., short-term notice deployment, military events, child care and school activities, financial and legal arrangements, counseling, post-deployment activities) arising out of the fact that the employee's spouse, son, daughter, or parent is on active duty or call to active duty status as a member of the National Guard or Reserves in support of a contingency operation ("qualifying exigency leave").

Eligible employees can take up to twenty six (26) weeks (calculated from the first day of the leave for this reason) of unpaid FMLA leave in a twelve (12)-month period:

- to care for spouse, son, daughter, or next of kin who is in the armed services and is undergoing medical treatment, recuperation, or therapy, is otherwise in outpatient status, or is otherwise on the temporary disability retired list for a serious injury or illness. ("Military Caregiver Leave").

Twenty-six (26) weeks in a twelve (12)-month period may be used for military caregiver leave only. Qualifying exigency leave is limited to twelve (12) weeks in a twelve (12)-month period

Employees can take FMLA leave for their biological children; adopted children; foster children; stepchildren; legal wards; or children for whom employees have day-to-day responsibilities to care for or financially support. Children must be under age 18 unless they are incapable of self-care because of a physical or mental disability (as defined under the federal Americans with Disabilities Act) at the time that FMLA leave begins.

Employees cannot take FMLA leave for parents-in-law.

Amount of FMLA Leave:

The Town designates the twelve (12)-month period to start on the first day in which employees can take FMLA leave for qualifying reasons (except in the case of military caregiver leave discussed above).

If two spouses work for the Town, they are limited to a combined total of (twelve) 12 weeks (or 26 weeks if eligible) of FMLA leave because of the birth, adoption, or foster care placement of a child, to care for a parent with a serious health condition, or to care for a covered service member with a serious injury or illness. Spouses remain eligible to take FMLA leave individually for other FMLA-qualifying reasons from the time that remains out of the original twelve (12)-week leave designation.

Requesting FMLA Leave:

Employees who request FMLA leave must give thirty (30) days advance notice to their supervisors. Employees, who cannot provide at least thirty (30) days advance notice of their need for leave, must notify their supervisors as soon as practicable.

After employees submit requests for leave, the Town will provide the following notices:

- *FMLA Eligibility:* Notice that states whether employees are eligible for FMLA leave. Employees do not receive additional eligibility notices for subsequent FMLA leaves during a twelve (12)-month leave period if their eligibility status remains unchanged.
- *FMLA Rights and Responsibilities:* Notice that describes employees' rights and responsibilities under FMLA and consequences for failing to comply.
- *FMLA Leave Designation:* Notice that describes whether leave is designated and counted as FMLA leave. Employees will receive one designation notice for each FMLA-qualifying reason per twelve (12)-month leave period.

Medical Certification:

If FMLA leave is taken because of employees' or their family members' serious health condition, employees must provide a completed Certification of Health Care Provider form which can be obtained from the Personnel Department. If leave is foreseeable, employees must provide at least 30 days in advance of the leave. Failure to provide certification, when foreseeable, will result in a denial of leave until such certification is obtained. If the need for leave is not foreseeable, employees must complete and submit medical certifications to the Town within fifteen (15) calendar days from the date of the Town's request or as soon thereafter as practicable under the circumstances.

The Town may require employees to obtain a second medical certification from a health care provider that is selected and paid for by Town. If the Town receives a medical opinion from the second health care provider that is different from employees' health care provider, the Town may require employees to obtain a third medical certification from a third health care provider also paid for by the Town. The third health care provider's medical opinion is considered to be the final medical opinion.

Under certain circumstances, the Town can require recertification of employees' or their family members' medical conditions. The Town will not require second or third opinions or recertification of a covered service member's serious injury or illness or qualifying exigency.

During FMLA Leave:

During FMLA leave, employees must keep their supervisors informed of the estimated duration of leave and their intended date to return from leave. If employees need to take more or less FMLA leave than originally anticipated while on leave, they must notify their supervisor within two (2) business days.

Scheduling FMLA Leave:

FMLA leave can be taken all at once or, under certain circumstances, on an intermittent or reduced leave schedule. Employees who request intermittent leave or a reduced leave schedule must arrange medical treatments and appointments to minimize work disruptions. The Town can transfer such employees temporarily to positions that permit them to take intermittent leave or reduced leave schedules with limited work interruptions.

Pay and Benefits During FMLA Leave:

FMLA leave is unpaid. However, the Town requires employees to substitute all accrued vacation, sick and personal time for FMLA unpaid leave. Employees may leave one week of vacation and one week of sick leave on the books if they do not wish to use up all their time. Employees must comply with the Town's policies on accrued paid leave when such leave is substituted for unpaid FMLA leave. Employees who are not eligible for the Town's accrued paid leave are still eligible to take unpaid FMLA leave. FMLA leave taken after employees' accrued vacation, personal, and sick time is exhausted, is unpaid.

The Town maintains group health plan benefits for employees on FMLA leave. Employees must continue to pay their portion of the premium while they are on FMLA leave and are notified how to make the payments for their share of their group health plan premiums during leave. Employees can be required to reimburse the Town for any group health insurance premiums paid during leave if employees do not return to work from leave.

Return from FMLA Leave:

Employees who return from FMLA leave will be reinstated to their former positions or to positions with equivalent pay, benefits, and other employment terms and conditions. Employees who return from FMLA leave retain all benefits they accrued prior to the start of leave. Taking FMLA leave does not count as a break in service for pension or retirement plan purposes.

Employees returning from leave who were on leave because of their own serious health condition will be required to submit proof of their ability to return to work in the form of a medical certification.

Additional Provisions Relating to Military FMLA Leave:

Definitions applicable to Qualifying Exigency and Military Caregiver FMLA leave:

A call for active duty refers only to a federal call to active duty; a state call for active duty is not covered unless under order of the President according to federal law in support of a contingency operation.

A contingency operation refers to a military operation that is designated by the Secretary of Defense as an operation in which members of the armed forces are or can become involved in military actions, operations, or hostilities against an enemy of the United States or opposing military force or a military operation that results in the call, order to, or retention on active duty of members of the uniform service according to federal military law or any other provision of federal law during a war or national emergency that is declared by the president or Congress.

A serious illness or injury is an illness or injury that service members receive while they are in the line of duty on active duty and makes them medically unfit to perform the duties of their office, grade, rank, or rating.

Next of kin of a service member is the nearest blood relative other than the service members' spouse, parent, son, or daughter in the following order of priority: blood relatives who have legal custody of service members; brothers and sisters; grandparents; aunts and uncles; and first cousins, unless service members have specifically designated in writing another blood relative as their nearest blood relative. If no designation is made and there are multiple family members with similar levels of relationship to service members, all such family members are considered to be next of kin.

Special Certification Requirements:

Employees who request leave under these circumstances may be required to:

support the need for qualifying exigency leave by providing a copy of the covered military member's active duty orders and certification providing the appropriate facts related to the particular qualifying exigency for which leave is sought, including contact information if the leave

involves meeting with a third party; and support the need for military caregiver leave by providing a certification completed by an authorized health care provider or by a copy of an Invitational Travel Order (ITO) or Invitational Travel Authorization (ITA) issued to any member of the covered service member's family.

Discrimination Prohibited

It is the Town's policy not to discriminate against an employee who has requested a leave or for otherwise exercising rights pursuant to this policy. Any complaints in this regard should be brought to the attention of the Personnel Director and/or First Selectman's Office.

1.21 MATERNITY LEAVE

Maternity leave applies to those who are not eligible for leave under the Family and Medical Leave Act (e.g. not enough time in their position).

Absences related to pregnancy and/or child birth are paid in accordance with the Town's sick leave policy applicable to the employee. Sick leave may be used in the case of incapacity due to pregnancy, prenatal medical care, childbirth or related conditions.

After the baby's birth the employee must provide the supervisor with a medical release from her attending physician stating that she is physically able to return to work. Such release is generally four to six weeks after delivery. In the event of complications, an employee is expected to notify her supervisor of her expected return to work date. In no event will an employee be eligible to return to work without a medical release from her attending physician.

1.22 MILITARY LEAVE FOR ANNUAL TRAINING

A full time employee who is a member of the Military Reserve, and is ordered to report for annual active duty for training, will be granted a leave of absence to a maximum of thirty (30) days per year and will be paid regular base pay less military pay.

1.23 MILITARY ACTIVATION OF RESERVES AND NATIONAL GUARD FOR ACTIVE DUTY

For active duty: The federal Uniformed Services Employment and Reemployment Rights Act (USERRA) establishes job rights of employees who voluntarily or involuntarily leave the Town to undertake military service or certain types of service in the National Disaster Medical System. These rights include reemployment after such military service, providing the following criteria are met:

The Town receives advance written or verbal notice of service.

The employee has five years or less of cumulative service in the uniformed services while with the Town.

The employee returns to work or applies for reemployment in a timely manner after conclusion of service (within 3 month of date of discharge); and

The employee has not been separated from service with a disqualifying discharge or under other than honorable conditions.

Other USERRA provisions include an employee's right to elect to continue existing employer-based health plan coverage for up to twenty-four (24) months while in the military. If continued

coverage is not elected by the employee during military service, the employee has a right to be reinstated in the Town's health plan upon reemployment, without waiting periods or exclusions, other than for service-connected illnesses or injuries. Employees who are reinstated within the three (3) month period discussed above will not lose any seniority or rights and privileges under these personnel rules. Employees who are covered under USERRA will not be discriminated or retaliated against.

1.24 NON-RETALIATION AND WHISTLEBLOWER POLICY

The Town is committed to lawful and ethical behavior and requires its employees, officials, volunteers and contractors to conduct themselves in a manner that complies with all applicable laws and regulations.

For purposes of this policy, "Whistleblowing" means reporting what one reasonably and genuinely believes is wrongdoing by another Town employee, contractor, official or volunteer in the course of his or her employment or service for the Town.

Wrongdoing includes, but is not limited to, actual or suspected mismanagement, dishonesty, unethical practices, fraud, neglect, falsification of records, danger to the public safety or health, malfeasance, bribery, theft of government property, unauthorized use, or other forms of misconduct and/or violation of state or federal law or regulation, or any municipal ordinance, regulation, rule and/or policy.

Any person having knowledge of any wrongdoing occurring in any Town department, Board or Commission of the Town or any contractor must report such matter(s) to the Personnel Director. If the employee is not comfortable speaking with the Personnel Director or is not satisfied with the response, the report should be directed to the First Selectman.

Whistleblowers have a responsibility to be prepared to be interviewed by, and candid with, those to whom they make a report of alleged improper activities and shall cooperate by setting forth all known information regarding any reported allegations. The Town will make efforts to protect, but cannot guarantee, confidentiality.

Once reported, the Personnel Director and/or First Selectman and/or a designee shall commence an investigation, as deemed warranted. In the case of suspected criminal conduct, the Town may elect to refer such allegations to an appropriate public agency for potential investigation before any internal investigation is undertaken by the Town. In such cases, if determined appropriate, the employee(s) suspected of criminal misconduct may be placed on administrative leave.

An employee who makes a report that is known to be false is not a Whistleblower and such false reporting is itself considered an improper governmental activity, which may subject the employee to disciplinary action, up to and including termination of employment.

Retaliation of any kind toward any employee or applicant who in good faith reports perceived violations of the Town's policies or participates in any related proceedings will not be tolerated. In the event that a Town employee is found to have retaliated against a Whistleblower, he/she will be subject to discipline, up to and including termination of employment.

Any individual that feels he/she has been retaliated against under this Policy is encouraged to report such retaliation using the reporting guidelines set forth above. Employees also retain the right to file a complaint as provided by law.

1.25 PAYDAY

Employees are paid twice each month--on the 15th, and the last working day of the month. When a weekend or holiday makes it impossible to be paid on the scheduled payday, employees will receive their paychecks on the last workday prior to the weekend or holiday. Employees are paid by direct deposit into their personal checking or savings account(s). Such election must be made in writing on a form provided by the Town.

The following deductions are required by law from each employee's paycheck:

- Federal/State Income Tax Withholding
- Social Security
- Deductions authorized by law (i.e. garnishments)
- Pension deductions (if applicable)
- Medicare

Additional deductions, which are optional and may be requested by the employee include:

- Charitable contributions
- Deferred Compensation
- Payment of health/dental insurance premiums (if applicable)
- Health Savings Account contributions

It is the employee's responsibility to maintain current payroll deduction information with the Town.

1.26 EMPLOYEE RECORDS

On their employment applications, employees provide the Town with a number of facts regarding themselves and their previous work experience. It is each employee's responsibility to keep this personal data up to date. That data will be available for the employee's review and will be kept confidential by the Personnel Department, subject to Freedom of Information requirements. While the Town does not voluntarily offer to the public information regarding its employees found in personnel and medical files, under the Freedom of Information Act the Town may be required to disclose information in these files.

All records maintained by the Personnel Department are the property of the Town and subject to the State's Record Retention Requirements, and the requirements of the Connecticut Freedom of Information Act. Employees may view their personnel files at mutually agreeable times. When reviewed, personnel files may not be taken from the Personnel Department and must be reviewed with the supervision of an employee of the Personnel Department.

1.27 BULLETIN BOARDS

The Town provides bulletin boards for posting job openings and official notices as well as informal information. The boards are located in Personnel (1), Public Works (3), Parks and Recreation (3), Police (1), and Fire (3).

1.28 SAFETY / INJURY ON THE JOB / WORKERS' COMPENSATION

It is the policy of the Town that every employee is entitled to work under the safest possible conditions for each of the occupations represented in our workforce. To this end, every reasonable effort will be made to provide and maintain a safe and healthy workplace, safe equipment, proper materials and to establish and insist upon safe methods and practices at all times.

The safety rules and regulations which have been established in various departments are to be considered directive in nature and applicable to all employees.

Safety is an important part of everyone's responsibility and the Town is committed to do all that is possible to make work areas safe.

It is each employee's responsibility to develop safe working habits, and observe the rules and practices of safety.

Safety equipment should be used whenever required.

Any unsafe condition should be immediately reported to the supervisor or department head.

All injuries and accidents, even if without injuries, sustained while at work should be reported immediately to the supervisor or department head and a written injury report must be completed and submitted to the Personnel Department. Failure to do so may jeopardize rights to benefits.

The Town complies with the provisions of Connecticut's Workers' Compensation Law and provides benefits consistent with such law. Any time off relating to a Worker's Compensation claim will be taken concurrently with FMLA, where applicable (**see Section 1.2 Family Medical Leave Act**).

1.29 RETURN TO WORK PROGRAMS / LIGHT DUTY

Employees with injuries (work-connected or otherwise) may be eligible for light duty assignments within their department or outside of their department. Such assignments are at the discretion of the Town as determined by the needs of the department and are made in compliance with the Americans with Disabilities Act and comparable state law. Light duty assignments are temporary in nature, generally less than three (3) months.

Employees with work-related injuries must have their health care providers complete a Town **WORK AUTHORIZATION FORM** at the time of treatment. Employees must provide the completed form to their supervisor or department head as soon as possible. Earnest efforts will be made to provide employees with work-connected injuries light duty assignments. If the doctor indicates that the injury has resulted in a work limitation, but that some form of light duty work is possible, and the department makes available work for the employee that conforms with the doctor's prescribed limits, the employee is expected to perform the light duty assignment in order to be eligible to receive further salary or workers' compensation payments.

Employees whose injuries are not work-connected and who seek a light duty assignment can request one from their supervisor or department head and must provide their supervisor or department head medical certification establishing the employee's need and capabilities for light duty. Light duty assignments are not guaranteed.

1.30 CREDIT UNION/LOANS

All employees are eligible for membership in the Tri-Town Teacher's Credit Union. You can contact them at www.tttfcu.com or at 203-227-8511 for membership information. Information is available in the Personnel Department. *The Town does not make loans to employees.*

1.31 TOWN RECREATION FACILITIES

All full timeTown employees are eligible to obtain recreation permits and beach parking stickers as if they were residents of the Town. Employees interested in using these facilities should call the Parks and Recreation Department prior to obtaining the permits at the Parks and Recreation Building at Longshore Club Park.

1.32 EMERGENCY CLOSINGS

It is assumed that all offices and facilities of the Town will be open on scheduled workdays unless employees are specifically notified otherwise or a general announcement is made by the First Selectman. Please also refer to the Town web site (www.westportct.gov) for up-to-date information on emergencies.

During weather-related emergencies, the Town Hall will endeavor to open as usual. Employees should use their best judgment with regard to the condition of roads while traveling to work. An employee's personal safety is paramount. In the interest of fairness, employees who come in late, or leave before the end of their scheduled work day, will have this lost time counted against their entitlement of time off with pay, (e.g. personal or vacation days), at the determination of their department head. When possible employees should work remotely and should plan accordingly. Should the Governor of Connecticut declare a State of Emergency preventing employees from travelling there will be no reduction in accrued days. This does not apply to the Police, Fire, Public Works and Parks and Recreation Departments, which follow their own scheduling procedures.

1.33 OPEN DOOR POLICY

Employees who have problems at work are encouraged to discuss them with their supervisors, or department heads. In addition, they may request to meet with the Personnel Director or the First Selectman.

1.34 EMPLOYEE ASSISTANCE PROGRAMS

Any Town employee or immediate family member may receive confidential, outside professional assistance for problems that affect their work and/or their personal lives through the Employee Assistance Program ("EAP") sponsored by the Town. The EAP is equipped to advise employees about such problems as drug or alcohol abuse, family or marital problems, financial worries, emotional stress and other such issues. The employee may schedule a voluntary meeting with an EAP counselor on a confidential basis. Employees whose work performance has deteriorated may be requested to meet with an EAP counselor by their department head or the Personnel Director. The EAP website is the EAP.com. The telephone numbers for EAP are: 1-800-252-4555 and 1-800-225-2527.

1.35 CONTINUATION OF HEALTH CARE COVERAGE - COBRA

In accordance with State and Federal law, including the Consolidated Omnibus Budget Reconciliation Act of 1985, commonly referred to as “COBRA,” employees and eligible dependents covered under the Town’s health insurance plan may elect to continue their health care insurance coverage at group rates under certain conditions when coverage would otherwise be terminated. Please contact the Personnel Department for additional details regarding continued coverage.

All new employees who are assigned work requiring the operation of a Town vehicle shall submit to a Department of Motor Vehicles driving records check as a condition of employment. A report indicating a suspended or revoked license status may be cause to deny or terminate employment. Periodic checks of employees’ drivers’ licenses shall be made.

Any employee unable to perform the duties of his/her position because he/she no longer holds a valid license, may be subject to disciplinary action, including reassignment, demotion, or termination of employment.

Employee use of Town vehicles is subject to the following conditions:

- Town-owned motor vehicles shall be used for official Town business only.
- Town-owned motor vehicles shall not be taken home or overnight unless authorized by the First Selectman.
- Town-owned motor vehicles shall be legally and appropriately operated and/or parked at all times. Violations issued to the driver of the vehicle shall be the responsibility of the driver, not the Town.
- Seat belts shall be used by the driver and all passengers at all times when the vehicle is in motion.

Collision Investigations

If, while operating a Town vehicle or a privately-owned vehicle in the performance of official duties, an employee is involved in an accident resulting in personal injury or property damage, he/she shall:

Request that all parties and properties concerned remain at the scene of the accident if possible until a law enforcement representative has investigated and released them;

Refrain from making statements regarding the accident to anyone other than the investigating law enforcement representative, appropriate Town officials and representative, and representatives of his/her own insurance company if the employee's privately-owned vehicle is involved. Statements made to investigating authorities should be confined to factual observation; and

Forward a copy of all police reports and any documents/statements attached thereto to his/her supervisor and/or Department Head.

II - EMPLOYMENT PROVISIONS

2.1 TYPES OF EMPLOYMENT / BENEFIT ELIGIBILITY

The Town does not guarantee employment for any specific period of time or for any specific type of work.

Regular Full Time employees are those individuals who regularly work 35 hours per week or more. Regular Full Time employees are eligible for all benefits of employment.

Part Time employees (with only sick leave benefits) are those individuals who regularly work 10 - 19 hours per week.

Temporary employees are those individuals who regularly work part-time or full-time hours, for a season or an anticipated period of no more than six (6) months per year. Temporary employees are not eligible to participate in any benefit plans.

Employees who regularly work 30 or more hours per week are entitled to health care coverage to the extent required by law.

2.2 WORK WEEK / HOURS WORKED / LUNCH PERIODS

The typical workweek for non-union Town employees is from Monday through Friday. Regular full time employees generally work five (5) days per week, seven (7) hours each day (35 hours per week) with one (1) or one half (1/2) unpaid hour for lunch. Starting times vary by Town department; however, for Town Hall offices, the hours are generally from 8:30 a.m. to 4:30 p.m. but may be changed with two weeks of notice. Employees are expected to arrive to work on time prepared to begin their work. Flexible hours may be available in various departments based on the needs of the department. Employees should speak with their supervisor to discuss and review requirements and expectations.

2.3 EXEMPT AND NON-EXEMPT EMPLOYEES / OVERTIME ELIGIBILITY

The Federal Fair Labor Standards Act (“FLSA”) provides minimum wage and overtime pay standards for certain employees based on their job duties. Under state and federal law, non-exempt employees must be paid at least state minimum wage for all hours worked and must receive time and one-half (1.5) their regular hourly rate of pay for all hours worked in excess of forty (40) hours in a given workweek.

Exempt employees receive predetermined salaries and are not eligible for additional pay or overtime regardless of hours worked.

If you are uncertain whether you are classified as exempt versus non-exempt or are eligible for payment of overtime, please consult with your department head or the Personnel Director.

2.4 OVERTIME

The Town may require employees to work overtime as a condition of employment. All overtime is at the discretion of the department head and must be authorized in advance. Non-exempt employees eligible for overtime pay may not work overtime without the prior authorization of their department head.

2.5 TIME RECORDS

Employees are required to use NOVAtime, POSS, Firehouse or any other Time and Attendance system used by the Town to account for their work time.

All employees are responsible for being at work on time and for “punching “ in and out on time and accurately. Employees are prohibited from “punching” in or out for another employee. Employees must not punch in prior to seven (7) minutes before the start, or more than seven (7) minutes after the workday unless he or she is on approved overtime. Violation of this may lead to disciplinary action. Falsification of time records is basis for disciplinary action, up to and including termination of employment.

2.6 PERFORMANCE EVALUATIONS

Regular full-time and regular part-time employees receive performance evaluations during their employment with the Town. Performance evaluations for new employees are usually prepared at the end of three (3) and six (6) months of employment and annually thereafter.

2.7 SALARY REVIEWS

Regular full-time and regular part-time employees generally receive annual salary consideration at the end of the fiscal year. This review may, or may not, result in a salary increase depending upon the past performance of the individual and/or the level of salary already reached and is contingent upon the Town budget. Salary increases are determined in the sole discretion of the Town.

2.8 PROMOTIONS / TRANSFERS

At times, promotion and/or transfer opportunities become available and are posted on the Town website, www.westportct.gov and bulletin boards. Any employee who meets the requirements of the posted position and is interested in the position may apply.

In addition to transfers and promotions initiated by the employee, the Town may also initiate a transfer of an employee for the best interest of the Town. When an employee is promoted or transferred, a new pay rate commensurate with the position may be determined in the sole discretion of the First Selectman, and as approved in the budget.

A three (3) month trial period applies to all promotions and transfers of employees.

If, after being promoted or transferred, the employee fails to complete the required three (3)-month trial period successfully, he or she may be returned to the prior position or transferred to a position comparable to his/her previous position if a vacancy exists for which the individual is qualified. If neither of these options is available, the employee may be laid off. See Introductory Period section (page 4) for more details.

2.9 EMPLOYEE DISCIPLINE

It shall be the duty of Town employees to maintain high standards of cooperation, efficiency and integrity in their work with the Town. If an employee falls below standard, including as set forth in the “Conduct” policy herein, he/she may be subject to disciplinary action, up to and including termination of employment.

Supervisors, in conjunction with the Personnel Department, may take disciplinary actions deemed to be appropriate and in the best interests of the Town, up to and including termination. Discipline will be determined on a case-by-case basis and may include, but is not limited to:

- Verbal warnings;
- Written letters of warning: such letter will be made part of the employee's official personnel file;
- Suspensions with or without pay;
- Demotion; and
- Recommendations to terminate may be made to the First Selectman.

2.10 TERMINATION

The First Selectman, at his or her discretion, may remove any employee of the Town, except as otherwise provided by law. Such person shall first be given notice in writing of the First Selectman's intention and an opportunity to be heard personally or by counsel, at a hearing before the Board of Selectman held not less than ten (10) nor more than fourteen (14) days after such notice, unless such time period is extended by written agreement between the First Selectman and the person to whom such notice has been given. Such hearings shall be conducted in public at the option of the employee whose removal is at issue. Following such notice and pending such hearing, the person in question may be suspended by the First Selectman without compensation. If such employee shall be reinstated following such hearing, the compensation withheld shall be paid to the employee. (See Town of Westport Charter §C4-4.)

2.11 LAYOFF

In the event of a reduction in workforce or the abolishment of a position, an employee, or employees, may be laid off. An employee in layoff status is ineligible for any Town benefits, but can elect to maintain health insurance under the Town's COBRA provisions.

2.12 VOLUNTARY TERMINATION

This is a resignation of employment that is initiated by the employee. All employees are requested to submit a written letter of resignation at least two (2) weeks in advance of their last day of employment.

2.13 INVOLUNTARY TERMINATION

This action is initiated by the Town to terminate an employee in cases of reductions in workforce, or the abolishment of a position (See Layoff) and when an employee, or employees, are terminated by the Town.

III - INSURANCE AND OTHER BENEFITS

The following is a summary of the insurance and other benefits to which non-union employees of the Town are or may become eligible. In all cases, the actual insurance policy, pension plan, or other plan document is the controlling determinate of eligibility and plan benefits and not this summary. As such, in the event there is a conflict between Plan documents and the informal wording of this Handbook, the Plan documents shall govern. As is the case with all Town policies and procedures, the Town reserves the right to modify and/or discontinue Town sponsored benefits at any time without notice within the confines of the law.

3.1 MEDICAL, PRESCRIPTION, DENTAL INSURANCE

TheTown provides these benefits to regular full-time employees, their spouses, and their dependent children to age 26. (See Appendix A).

3.2 EMPLOYEE CONTRIBUTIONS

Employees are required to contribute towards the cost of health and dental insurance. It is a percentage of the premium equivalent, which may change annually.

3.3 VACATIONS

Starting July 1 of each year, full time employees who regularly work thirty (30) or more hours per week accrue vacation according to the following schedule. Employees accrue vacation in one fiscal year to be taken in the subsequent year.

Years of Service on July 1	Vacation Earned for Use in Subsequent Fiscal Year
Less than one year*	1 day for each month of credited service (Max.10)
Completion of 1 full year	10 days
Completion of 2 full years	15 days
Completion of 10 full years	20 days
Completion of 21 full years	21 days
Completion of 22 full years	22 days
Completion of 23 full years	23 days
Completion of 24 full years	24 days
Completion of 25 full years	25 days

*In calculating service for vacations, the employee's hire date will be considered to be the first day of the month if employment commences on or before the 20th of the month. For employment beginning the 21st of the month or later, service for vacation eligibility will begin the first of the following month.

Use of vacation time must be approved in advance by the employee's supervisor. Employees should try to provide two (2) weeks' notice when requesting a week or more of vacation. Employees also should note that vacation leave does not entitle individuals to take time off without notice or call in at the start of a work shift and announce that they are taking vacation leave. Employees are expected to use all their annual vacation in the fiscal year of entitlement. In

extraordinary circumstances, the First Selectman may allow unused vacation, up to the total entitlement for one (1) year, to be carried over to the next fiscal year. If vacation days are not approved to be carried over and are not used by the end of the fiscal year, they are forfeited.

Employees who terminate employment with the Town are eligible for payment at termination for their unused vacation including days carried over with the approval of the First Selectman and including the vacation earned in the current fiscal year, prorated as necessary. Employees terminated for cause may not be eligible for an unused vacation payout.

Police and Fire Department non-union supervisory employees follow the same vacation policy as the officers and firefighters they supervise, i.e. the vacation policy contained in the collective bargaining agreement covering their union personnel.

3.4 HOLIDAYS

Regular full-time employees receive the following thirteen (13) paid holidays per fiscal year.

Independence Day	Christmas Day
Labor Day	Day before New Year's
Columbus Day	New Year's Day
Veteran's Day	Martin Luther King Day
Thanksgiving Day	Presidents' Day
Day after Thanksgiving	Memorial Day
Day before Christmas	

In the event a holiday falls on a Saturday, it will be observed on the preceding Friday. Holidays falling on Sunday will be observed on the following Monday. An employee who calls in sick or has not previously scheduled to be off on a personal or vacation day on the days before or after the holiday will not be paid for the holiday. An employee on a scheduled vacation or hospitalized during a week in which a holiday falls will not be charged a vacation day for the holiday.

If a non-union supervisory employee is required to work on a day when one of the above Holidays is observed by the Town, or if one of the above Holidays is observed by the Town on a day that is normally a scheduled day off, the supervisory employee will be allowed to take another day off in lieu of the Holiday, to be scheduled with the approval of the department head.

3.5 PERSONAL DAYS

Regular full-time employees are eligible for three (3) paid personal days during each full fiscal year. During the first year of employment, the eligibility is for three (3) days if employed between July 1 and Oct. 31; two (2) days if employed between Nov.1, and Feb. 28; and one (1) day if employed between March 1 and June 30. These days are provided to deal with emergencies, religious requirements and/or to take care of personal business. They cannot be taken without the approval of the department head nor may they be carried over to the next fiscal year.

3.6 JURY/CIVIL LEAVE

The Town recognizes the civic responsibility of employees to perform jury duty when called. The Town provides paid absences to eligible employees for jury duty, which are not charged to vacation

time, sick time, personal time, etc. An employee who is contacted to serve on a jury is required to advise his or her supervisor and furnish a copy of the notice from the court. Employees are to report to work on any full day or half day that the court is not in session or when their services are not required. Employees who have been absent for jury duty on a working day(s) and who receive compensation from the Town pursuant to this provision are required to refund to the Town any money received from the court for that day(s) with the exception of money received for travel expenses. Failure to refund the money to the Town will result in having the day(s) charged to personal days, vacation or leave without pay, and may result in disciplinary action. This also applies to employees who are subpoenaed as a witness in a court of law.

3.7 FUNERAL LEAVE

Full time employees will be granted up to three (3) days of paid leave to attend the funeral of a member of their immediate family (wife, husband, sister, brother, father, mother, children, grandparents, grandchildren, mother-in-law, father-in-law, brother-in-law, sister-in-law), and one (1) day of paid leave to attend the funeral of other family members. The First Selectman, at his/her sole discretion, may extend such leave upon the request of the employee. Funeral leave will be prorated for regular part-time employees (20-34 hours/week).

3.8 UNPAID PERSONAL LEAVE

A personal leave of absence without pay may be requested by regular employees in writing to the First Selectman. A leave will generally only be considered for educational, professional development, or charitable, humanitarian, or health reasons, and for a maximum of one (1) year. The leave will not be granted to take another job. During an approved Personal Leave, the employee may continue the health insurance in effect at the beginning of the leave by paying fifty percent (50%) of the total cost of such insurance. During the period of the leave, the employee will not accrue service for pensions, vacation, sick leave, or any other purpose. Reemployment following a personal leave is not guaranteed and will be based on the needs of the Town at that time. If a position is not available, the employee will be terminated.

3.9 FAMILY AND MEDICAL LEAVE – See Page 23

3.10 SICK LEAVE

The Town provides paid sick leave for its regular full-time and regular part-time employees. The specific eligibility for sick leave varies based on the hours the employee regularly works. Sick leave is generally to be used only for health and medical problems affecting the employee, however, employees may use up to three (3) of their earned sick days per year to care for a sick child or other dependent. A full-time employee will earn one sick day for each month worked and sick days can be accumulated up to 180 days.

Part Time Employees:

Regular part-time employees are eligible for sick leave benefits based on the Connecticut Sick Leave Law to accrue one (1) hour of paid sick leave for every forty (40) hours worked. These part time employees may carry over sick leave but are not permitted to use more than forty (40) hours of sick leave in one (1) year. To be eligible to use sick leave, part-time employees must have worked at least 680 hours starting from their hire date. Additionally, to be eligible to use any accrued time, an employee must have averaged at least 10 hours per week during the most recently

completed calendar quarter. Employees are permitted to use accrued time for the reasons set forth in state statute.

All Employees Eligible For Sick Leave:

Employees are required to notify their supervisor(s) at least thirty (30) minutes prior to the start of scheduled work if they will be absent due to illness.

When an employee has been absent for three (3) days or more, a medical certificate may be required for that period.

Unused sick leave is carried forward to the following year(s). No more than one hundred and eighty(180) days will be accumulated (this is a form of short term disability for employees). However, unused sick leave days will not be paid out when employee leaves for any reason or retires.

Any paid leave will run concurrent with an employee’s entitlement under the FMLA (see Section 1.2 Family Medical Leave Act)

3.11 UNEMPLOYMENT BENEFITS-- STATE OF CONNECTICUT

The Town is a covered employer under the State of Connecticut Unemployment Compensation law. An employee who is “laid off” by the Town due to a reduction in the workforce, or the abolishment of a position, or who is involuntarily terminated by the Town, may be eligible for unemployment benefits.

3.12 LIFE INSURANCE

The Town provides full-time, non-union employees, while they are actively employed, term life insurance and AD&D at no cost to the employee. For employees hired prior to **January 1, 2012** the coverage is one (1) times annual salary, rounded to the next \$1,000. Active employees 70 years and older are eligible for one-half (1/2) times annual salary rounded to the next \$1,000.

Employees whose annual salaries are in excess of \$50,000 annually may elect to cap their life insurance at \$50,000 in order to avoid IRS imputed income for such excess coverage. This election can be made through the Personnel Department. The life insurance contract requires that insurance be reduced by 50% for working employees age 70 and above.

3.13 PENSION PLANS

The Town currently funds and administers two (2) non-union pension plans for its full-time employees hired prior to **January 1, 2012: THE RETIREMENT PLAN FOR NON-UNION AND NON-SUPERVISORY EMPLOYEES** and **THE RETIREMENT PLAN FOR NON-UNION SUPERVISORY EMPLOYEES**. Eligibility requirements for participation are detailed in the plan documents. Employee contributions are 4% of base salary and are automatically deducted from salary payments on a pre-tax basis.

The non-union pension plans are defined benefit plans. Pension benefits are determined by a formula based on years of credited service, compensation and the percentage specified in the plan.

Employees should refer to their Pension Plan document for specific Plan information. Notwithstanding the above, employees hired after January 1, 2012 are not eligible for the defined benefits plans but participate in the Town's Defined Contribution Plan.

The Town reserves the right to make changes, such as to a plan administrator or plan terms, at its sole discretion and without further discussion with employees, as permitted by law.

3.14 DISABILITY PENSION

For employees who participate in the Town Pension Plans, Disability benefits are provided for participants. "A participant under age 65 who becomes disabled and remains continuously disabled for a period of at least 6 months shall be eligible for a disability benefit." The plan(s) define "Disabled" as "having a Disability" and "Disability" as "the inability to perform the duties of any occupation for which the Participant is reasonably fitted by reason of training, education or experience."

For further details, please refer to the appropriate plan document. In the event there is a conflict between Plan documents and the informal wording of this Handbook, the Plan documents shall govern.

3.15 DEFINED CONTRIBUTION PLAN (Town Match)

Regular employees hired after *January 1, 2012* are automatically enrolled, effective on the date of hire, in the Town's WESTPORT 401(k) Plan for 5.0% of salary, which will be matched by the Town. The employees' tax-deferred savings in this account are intended to supplement retirement income. Information regarding the plan is available from the Personnel Department. Eligible employees may choose from among several investment options and invest their pre-tax contributions from their semi-monthly paychecks. Employees who regularly work 20 hours or more are eligible to participate.

3.16 401(k) PLAN (Deferred Compensation Plan- Voluntary – No Town Match)

For an employee who becomes disabled after age 64 the benefit is payable for up to five years. This benefit is reduced by any Social Security Disability benefits the employee may be entitled to. This benefit is taxable to the employee.

3.18 DEATH BENEFIT

In the case of the death of an active full-time employee, the spouse of the deceased, or the estate of the deceased if there is no surviving spouse, is eligible to receive payment for unused vacation and for the next four (4) weeks' pay otherwise due to the deceased employee as a death benefit.

3.19 TUITION, BOOKS & PROFESSIONAL DEVELOPMENT

Courses requested by full-time employees and approved by the Department Head and the First Selectman as being job-related and beneficial to the professional development of the employee, and which are taken on other than working time, shall be eligible for reimbursement up to 100% of the cost, including the cost of books upon successful completion of the course. Tuition and books shall be subject to funds specifically identified and appropriated in the budget for this purpose. Therefore, courses should be anticipated and requested during the budget preparation period. Approval must be received prior to course registration in order to be eligible for reimbursement. Course time is not considered time worked and will not be compensated.

The Town will promote professional development by assisting employees with the cost of membership to appropriate professional associations depending on budget allocations.

It is extremely important that the employee makes certain that all information regarding benefits, such as beneficiaries for life insurance, pension contributions and 401(k) contributions be kept up to date.

Information regarding dependents, as well as any address change must be kept current.

IV- EMPLOYEES AT RETIREMENT

In all cases, pension plan documents control pension benefits. For employees hired prior to January 1, 2012, Normal Retirement date is the first of the month coinciding with or next following the attainment of age 55 with ten (10) years of service or age 65, provided not less than 5 years of service have been completed.

Regular employees who are eligible will receive a monthly pension benefit payable to them in accordance with the terms of the plan in which they are participants. Employees eligible for a benefit will have the option of electing one of a number of monthly benefit options.

4.4 LIFE INSURANCE CONVERSION

Employees will be eligible, upon retirement, to convert their group life insurance to a personal policy paid by them directly to the insurance company.

4.5 MEDICAL, DENTAL AND PRESCRIPTION DRUGS (Hired prior to January 01,2012)

In accordance with the terms of their pension plan, retiring employees may be eligible to elect to continue the medical insurance coverage, and dental and prescription drug coverage in effect prior to their retirement date. If eligible, their election to continue coverage must be made on or before their retirement date, and will require a monthly premium contribution.

When the retiree or spouse reaches the age of Medicare eligibility (presently 65), Medicare becomes the primary insurer and the retiree or spouse must be transferred to the Town's Medicare supplemental plan, at forty percent (40%) of the full cost of coverage determined each year not to exceed the prior year's cost by more than ten percent (10%). The retiree and spouse must pay the full amount of the Medicare Part B premiums.

TOWN OF WESTPORT EMPLOYEE HANDBOOK ACKNOWLEDGEMENT

I acknowledge that I have received a copy of the Town of Westport Employee Handbook. I understand and accept my responsibility to read it and ask my supervisor or the Personnel Department any questions that I may have concerning the policies it contains.

I understand that this Handbook is not intended as a legal document or contract of employment, expressed or implied, or a promise to handle a situation in any particular way. I further understand that my employment with the Town is not for any specific duration and that either the Town or I may terminate the relationship at any time, for any reason or no reason, subject to the notice and public hearing provisions of the Town of Westport Charter.

I acknowledge that no official, supervisor, department head or employee of the Town, other than First Selectman, has the authority to promise or agree to any substantive terms or conditions of employment (whether in writing or orally) different from those stated in the written guidelines and policies contained in the employee handbook I received from the Town. I understand that any different employment agreement or arrangement entered into by the First Selectman must be clearly stated in writing and signed by both the First Selectman and myself or my representative.

I understand that the policies and procedure in this Handbook supersede all of the Town's prior policies and procedures and may be modified, changed, suspended, or cancelled at any time, at will, without prior notice. Policies specified in the Westport Town Charter may be modified, changed, suspended or cancelled by amendments to the Charter.
