Westport Police Looking to Identify Suspicious Person

(Westport CT) This morning, October 03, 2017 at approximately 07:20 am, a juvenile female was approached at her bus stop at the intersection of Clinton Avenue and Breezy Knoll by a suspicious male. The juvenile reported it was a white male, age 40 to 50, with brown hair and a bald spot. The juvenile stated the male first walked up and down Clinton Avenue, then got into an older green Jeep Grand Cherokee. The suspicious male asked the juvenile twice if she wanted to see the cute dog in the back of his car. The juvenile immediately ran home and notified her parents.

The Westport Police Department is working closely with the Westport Board of Education to ensure the safety of our students and continue to keep the public informed.

Anyone with information to assist in identifying this male is asked to call the Westport Detective Bureau at 203-341-6080.
