### **1. Harvest Fest**

Wakeman Town Farm is hosting its major annual fundraiser, Harvest Fest, an evening of food, wine and fun on Saturday, September 22, 2018 at the farm. This festive Cocktail Party, Dinner and Auction features an array of local vendors auctioning off goods and services to support the farm, as well as foods and wine from a variety of amazing local restaurants. The evening's festivities will include great food, signature cocktails, live music, silent and live auction items, a brand new raffle, as well as our ever popular egg-busters filled with fun, local homey and artisanal items.

Harvest Fest is currently sold out with interested parties being added to our mailing list for early notification next year. Tables of 8 are being reserved for those who purchased their tickets as a group. The monies raised will support the running of the farm such as animal care and feeding of our alpacas, goats, sheep, chickens, ducks and bunnies as well as help to fund 'camperships' for students who would otherwise not be able to afford farm programs and camps.
