Foti Koskinas  
Chief of Police

## Press Release

### **Westport Police to Conduct DUI Enforcement**

(Westport, CT) Throughout the remainder of the holiday season, the Westport Police Department will be supplementing its normal routine patrol personnel with additional officers to target those driving under the influence.

Please remember the legal limit is .08 blood alcohol concentration, but the limit for those under 21 is .02. Operating under the influence can result in arrest, fines, court fees, embarrassment and potentially loss of life, should you be involved in a motor vehicle accident. Because of this, we are urging residents to think before they drink. Please designate a driver or plan to use alternate transportation if you decide to drink. With the many alternatives out there including taxis and ride apps like Uber and Lyft, there is no reason anyone should be operating a vehicle if they are impaired.

The Westport Police Department reminds drivers to always buckle up, obey the posted speed limits, and never drink and drive. We wish you all a happy and safe holiday season!
