The Joint Committee of the Historic District Commission and the Architectural Review Board will held a meeting on **Tuesday, January 14, 2019** in Town Hall, Room 309 at 6:00 p.m. for the following purpose:

1. To review the proposed wayfinding signage submitted by Department of Public Works and Merje for property located in the Village District Overlay (VDO), Business Center District/Historic (BCD/H), Business Center District (BCD), Restricted Office Retail District (RORD2) and Residential A and AA zones.

The members unanimously voted in favor of approving the signage with the following recommendations: the Option B kiosk was preferable, posts are topped with all black flattop finials, and the “W” on the gateway signage is reviewed/reworked because the “W” is out of proportion.
