Press Release

Westport Railroad Station Houses to Be Closed

Effective today, Wednesday March 18, 2020, the station houses located at both the Saugatuck and Greens Farms Railroad Stations in Westport will be closed to the public until further notice. In both cases, this will have no impact on normal railroad operations at these locations.

This closure is in response to the current COVID-19 outbreak and is an additional safeguard to keep groups from congregating in close contact. The timeframe for their eventual re-opening is unknown at this time, but will be announced.
