Officials Present

Martin Fox, Director, Westport Transit District

The Committee met to make a recommendation regarding the reappointment of Marty Fox for a new four-year term as a Director of the Westport Transit District. His current term expires April 30, 2020. It was noted that while the new appointment would be for a four-year term ending in April 30, 2024, it is Marty's intention to serve only a few months in order to give the RTM and the Town more time to focus on the transition in Westport Transit District's leadership.

The Committee members thought Marty has done an excellent job as a director of the Westport Transit District for the last four years and thanked him for his past service. Upon motion duly made by Sal Liccione and seconded by Dick Lowenstein the Committee unanimously recommends that the RTM re-appoint Marty Fox to another term as a Director of the Westport Transit District.

The meeting adjourned at approximately 10:15 AM.
