RE: Proposed Text Change (Special Needs)
Amending sections §5, §11, 13, & §32-27

Dear Ms. Young,

As discussed, attached please find the revised Text Change to add Special Needs Housing in Section 11 (Residence AAA District) and deleting from Section 13 (Residence A District) to be consistent with other Special Permit uses.

We look forward to presenting the application to the Planning and Zoning Commission. If you have any questions or require additional information, please do not hesitate to contact us.

Sincerely,

Richard W. Redniss, AICP
