WESTPORT HISTORIC DISTRICT COMMISSION APPLICATION FOR CERTIFICATE OF APPROPRIATENESS (CA)

Application is hereby made for the issuance of a Certificate of Appropriateness under the Historic District Ordinance of Westport, Connecticut, enacted pursuant to the enabling authority contained in Chapter 97A, Section 7-147d and 147s, as amended, of the General Statutes of Connecticut.

SECTION 1 (To be completed by the Applicant):

Address of proposed work: 170, 172, 174, 176 Post Road West & 38 Kings Highway North

Owner: Maplewood Senior Living - Tom Gaston

Phone: 203.557.4777 Email: tgaston@maplewoods1.com

Agent/Contractor: LANDTECH/ Peter Romano

Address: 518 Riverside Avenue Westport CT

Phone: 203.454.2110 ext 150 Email: promano@landtechconsult.com

Anticipated date of completion: 2021

 _____
Owner's Signature (Application must be signed) Date: 11.20.2020

SECTION 2 (To be completed by the Zoning Enforcement Officer)

- Appears to comply with regulations
- Appears not to comply with regulations
- More information needed

Signature of Zoning Enforcement Officer indicating preliminary review of compliance with zoning regulations.

SECTION 3 (To be completed by the Historic District Commission)

Date of Public Hearing: _____

- Certificate of Appropriateness APPROVED**
List any conditions or modifications:

- Certificate of Appropriateness DENIED**
List reasons for denial:

Signature/Chair, WHDC Date

After approval has been obtained from the Historic District Commission, work cannot commence until proper zoning and building permits have been obtained from the Planning and Zoning and Building Departments.

SECTION 4 (To be completed by the Historic District Commission)

FINAL APPROVAL

Signature/WHDC: _____ Date of Site Inspection: _____

November 20, 2020

Ms. Donna Douglas, Coordinator

Subject: Maplewood Senior Living Facility, 170, 172, 174,176 Post Road West & 38 Kings Highway North

Dear Ms. Douglas:

On behalf of our client Maplewood Senior Living LLC, I am hereby submitting an application for a Certificate of Appropriateness for properties at 170, 172, 174,176 Post Road West & 38 Kings Highway North in Westport. I am enclosing the following to be included with our Historic District Commission's Certificate of Appropriateness:

1. Transmittal letter prepared E. Bernheim dated 11.20.2020
2. Certificate of Appropriateness Application dated 11.11.2020
3. Authorized Agent Letter acknowledging Pete Romano as agent dated 7.17.2020
4. Project Narrative prepared by Michael Stein, dated 11.20.2020
5. 2-24 x 36" copies of the Site Improvement Plans by LANDTECH, Sheet C-1.0 dated rev. 11.20.2020
6. 2-11 x 17" copies of the Site Improvement Plans by LANDTECH, Sheet C-1.0 dated rev. 11.20.2020
7. 2-11 x 17" copies of the Architectural /Engineering Plan Set prepared by Stein-Troost, dated 11.20.2020
8. The list of adjoining neighbors w/ 250' of the project site and within the Historic District
9. A flash drive that contains digital files of the information above
10. Stamped addressed envelopes for the adjoining neighbors w/ 250' of the project site.

Thank you for your efforts on our behalf. If you have any questions or require any additional information please contact me on 203-454-2110 Ext.150 or at promanmo@landtechconsult.com.

Very truly yours
LANDTECH

Pete Romano, Principal

Re: Certificate of Appropriateness relating to 170, 172, 174, & 176 Post Road West and 38 Kings Highway North, Westport, CT (collectively the “Property”)

Dear Ms. Douglas:

This letter is being sent simultaneously with a new application requesting the Historic District Commission (“HDC”) to issue a certificate of appropriateness for the Maplewood Senior Living, LLC (“Maplewood”) proposed 105,000 square foot ALFCIL Facility. Maplewood is the contract purchaser of the Property, which consists of 5 lots (that are in the following zones RORD-1, GBD, BPD, and AA) and will be merged into one 4.84 acres lot upon approval by the Commission. Only two of those lots, 174 Post Road West and 38 Kings Highway North are within the Kings Highway Historic District.

As part of this project, we are proposing to preserve three historic residential structures located in the AA zone and construct an ALFCIL Facility with 49 Assisted Living units and 46 Memory Care/Full Care Living units on the Property.

As you are aware, we submitted a prior application to the HDC that has since been withdrawn. At that prior hearing, several members of the public appeared and expressed many concerns with the proposal. We have since held a zoom meeting where we invited everyone in the district and many of the abutting streets that are not within the district to have an opportunity to relay their concerns to us. At the end of that meeting, we were told that there may be additional concerns relayed to us at a later date. On November 17, 2020, Attorney Joel Green contacted me with a list of concerns that his clients wanted us to address. Most of those concerns are issues to be resolved as part of the Planning & Zoning Commission application.

However, the current submission is intended to address as many of the concerns that the neighbors raised as possible without materially and adversely impacting the

feasibility of this project. A list of some of the concessions we are agreeing to are as follows:

1. We have reduced the parking for 38 Kings Highway North and 174 Post Road West from 10 spaces to 6 parking spaces;
2. We are removing the addition previously proposed at 174 Post Road West and only the original historic house will be relocated and remain on site as a single family unit;
3. We have reduced the proposed width of the paved portion of the 38 Kings Highway North driveway from 20' to 16' with 2' grass paver shoulders on both sides thereby reducing the appearance of the paved portion of the driveway;
4. The current intention is to keep 38 Kings Highway North and 174 Post Road West market rate units and we will allocate the required affordable units within the project elsewhere¹;
5. We are now proposing to preserve the historic home located at 172 Post Road West and utilizing it to further screen the Assisted Living / Memory Care Building as you enter the District from the Post Road West, but the new location remains outside of the Historic District boundaries;
6. We have removed the emergency access from Kings Highway North and have received permission from the owner of the abutting property to utilize their existing curb cut for emergency access²; and
7. We are proposing an extensive landscaping plan which is detailed in the plans submitted.

Accordingly, we are seeking certificates of appropriateness for the entire project, which include:

1. The Assisted Living / Memory Care Building;
2. Demolishing the current "addition" on 174 Post Road West – it being our intention to retain only the original structure;
3. Relocating 174 Post Road West onto the 38 Kings Highway North site;
4. Increasing the width of the driveway which will serve 38 Kings Highway North, 174 Post Road West, as well as the hammerhead grass paver turnaround for emergency access to the Assisted Living / Memory Care Building;
5. All parking within the District;
6. The breakaway gate at the end of the paved portion of the driveway at 38 Kings Highway North;
7. The proposed fence along the property line and screening the MC Patio;
8. The MC Patio shown on the plans;

¹ This is a Planning & Zoning Commission issue and will be further addressed with that commission.

² This is a Planning & Zoning Commission issue and if required, we will attempt to provide emergency access as originally proposed but the structure and the accessway will remain outside of the Historic District.

9. Proposed sidewalks abutting the Assisted Living / Memory Care Building;
10. Stone veneer retaining wall; and
11. Such other components of the Project that fall within the Historic District Commission's purview.

The purview of the HDC is set forth very clearly in the HDC Handbook. "CGS Section 7-147f(b) limits HDC regulatory control to exterior historic and architectural features. Interior arrangement or use is not regulated, except that the HDC may make recommendations as to the adaptive reuse of any building or structures."³ It clarifies this regulatory control further by stating, "the HDC governs all construction activities that would be visible from any 'public way' in the absence of planting."⁴ The proposed project has been creatively designed to ensure that very little, if any of the proposed Assisted Living / Memory Care Building is visible from a public way. To the extent it is determined that some of the Assisted Living / Memory Care Building located within the Historic District is visible from a Public Way, it is important to note that the Westport CT – HDC Handbook quotes the State Historic Preservation Office as follows, "historic district designation carries with it no inherent restrictions, only a review process to prevent incongruous change."⁵ This proposal preserves three historic residential structures that effectively screen the turn of the century resort style Assisted Living / Memory Care Building from view from the Public Way. Submitted simultaneously herewith is a through description of the project from our architect. We look forward to discussing this project with the Commission once again.

Very truly yours,

Eric D. Bernheim, Esq.

Re: 38 Kings Highway North, Westport, CT

Dear Ms. Young:

As owners of the above-referenced property with the improvements thereon, this letter is to advise you that we hereby consent to the preparation, filing and presentation of map and text amendments, a special permit site plan application, and corresponding flood and erosion control board, conservation commission, historic district commission, architectural review board, and any other boards or commissions relating to a senior living development with Maplewood Senior Living, LLC. The application and its presentation will be conducted by the law firm of Halloran & Sage, LLP, along with Pete Romano of Landtech and Michael Stein of Stein & Troost. This letter should also serve as consent for application to any municipal department that is required to further this project.

Should you have any questions, please contact us.

Very truly yours,

Maplewood at Westport

170, 172, 174, 176 Post Road West + 38 Kings Highway North

HDC application for Certificate of Appropriateness Narrative describing project

The District

The Kings Highway North Historic District was established in 1972, and then amended in 1989/90.

Located west of the Saugatuck River, the district extends 2/3rd of mile running north – south with Kings Highway North as its central spine

There are 122 listed resources in the district, with 111 categorized as contributing. There are 4 historic sites in the district, which include a small triangular green at the intersection of Old Hill Road and Kings Highway North, two cemeteries across the street from the green and the King Street Cemetery, a small graveyard that dates back to 1736.

SHPO described the district as follows: “The district is characterized by a high degree of cohesiveness, which is reinforced by similarities of scale, setting and style.... The district is an exceptionally integrated and representative demonstration of the dominance of the Colonial Revival architecture”.

The National Register adds: “All of the houses are wood-frame construction and generally similar in style. With few exceptions, they are sited close to the road and a uniform setback is maintained.”

There are several buildings within the district that have been moved over time, including a former mill, moved in the early 1800’s, which is now a rear addition to 53 KHN. The former Shercrow School, built in 1812, was moved to its current location, 38 KHN, in the early 1900’s. In 1989, the district was expanded to include the relocation of the Wm. Jones house, an 1840’s Greek revival house originally located on the Post Road. It was moved to the center of the current site, 174 PRW, at that time and was renovated to include a two-story garage / living space. At that same time an “associated vernacular building was reconstructed on an adjoining lot.” This structure, 172 PRW, was, as best as we can determine, a utilitarian outbuilding / barn servicing the Jones House. The reconstruction converted 172 into a small, one bedroom ranch house, which is located in the KHN National Historic District, but is not part of the Local Historic District.

Maplewood at Westport – HDC Narrative

Page 2

The proposal

As shown on the Existing Conditions map, Drawing A-2, the site consists of 5 integrated lots: 170, 172, 174, and 176 PRW + 38 KHN, which combined add up to 4.8 ac. There are 4 commercial buildings, 3 residential structures and 90+ existing parking spaces. The site slopes dramatically from north to south, from elevation 80 to 34.

The proposed plan calls for preserving 38 KHN, a single-family residence with a legal “in-law” apartment, relocating both 174 PRW, currently a legal two-family residence, and 172 PRW, a single-family residence. The plan calls for demolishing the 4 existing commercial structures. It should be noted that the relocation of 174 PRW will not include the 1989 addition, which will return the house to its original configuration as a single-family residence.

The development proposes a 95 unit Assisted Living and Memory Care residence. The building is designed to terrace down from the north end of the site to PRW, sited to take advantage of this grade change, effectively screening the structure from the residential neighborhood. The north face of the building is a 1-1/2 story elevation, whose ridge, at elevation 95, is 5 feet lower than the ridge of 38 KHN. There is also effective existing and proposed landscape screening of the building from the north property line and along KHN. Additionally, screening by fence and landscape planting will be provided along the entire east property line, effectively screening the development from residential properties on Ludlow Street and abutting 120 PRW, a mixed-use commercial, multi-family property. The site plan locates all 71 ALF parking spaces outside of the Historic District. There are 6 spaces provided for the two historic homes at 38 KHN. The design effectively hides exterior mechanical equipment, loading areas and dumpsters by use of the site grades and effective landscaping.

Historic properties

38 KHN, the former Shercrow School was built in 1812, and moved to its current location in the early 1900’s. The plan is to do no work on this building other than periodic required maintenance.

The plan calls for relocating 174 PRW, the Jones House, removing the 1989 addition, returning the structure to its original footprint and establishing it as a single-family residence. Additionally, the plan calls for the relocation of 172 PRW to front on KHN. All this work will be done in strict compliance with The Secretary of the Interior’s Standards for the Treatment of Historic Properties.

The specific plan is to relocate both 172 and 174 PRW along KHN in a manner consistent with the overall pattern of development in the district. As noted earlier, and illustrated on Drawing A-1, the district is characterized by structures sited close to the road, and close to each other.

Maplewood at Westport – HDC Narrative

Page 3

The Assisted Living / Memory Care building

Designed to recall a 19th century Shingle Style resort hotel, the proposed Assisted Living / Memory Care residence is a 95-unit, 108,106 gross square foot, three story structure. The plan calls for 49 standard Assisted Living Units, and 46 Memory Care units. The building has multiple dining rooms, living rooms, libraries, activity rooms, fitness and wellness facilities as well as a theater and spa.

Accordingly, we are seeking certificates of appropriateness for the entire project, which include:

1. The Assisted Living / Memory Care Building;
2. Demolishing the current “addition” on 174 Post Road West – it being our intention to retain only the original structure;
3. Relocating 174 Post Road West onto the 38 Kings Highway North site;
4. Increasing the width of the driveway which will serve 38 Kings Highway North, 174 Post Road West, as well as the hammerhead grass paver turnaround for emergency access to the Assisted Living / Memory Care Building;
5. All parking within the District;
6. The breakaway gate at the end of the paved portion of the driveway at 38 Kings Highway North;
7. The proposed fence along the property line and screening the MC Patio;
8. The MC Patio shown on the plans;
9. Proposed sidewalks abutting the Assisted Living / Memory Care Building;
10. Stone veneer retaining wall; and
11. Such other components of the Project that fall within the Historic District Commission’s purview.

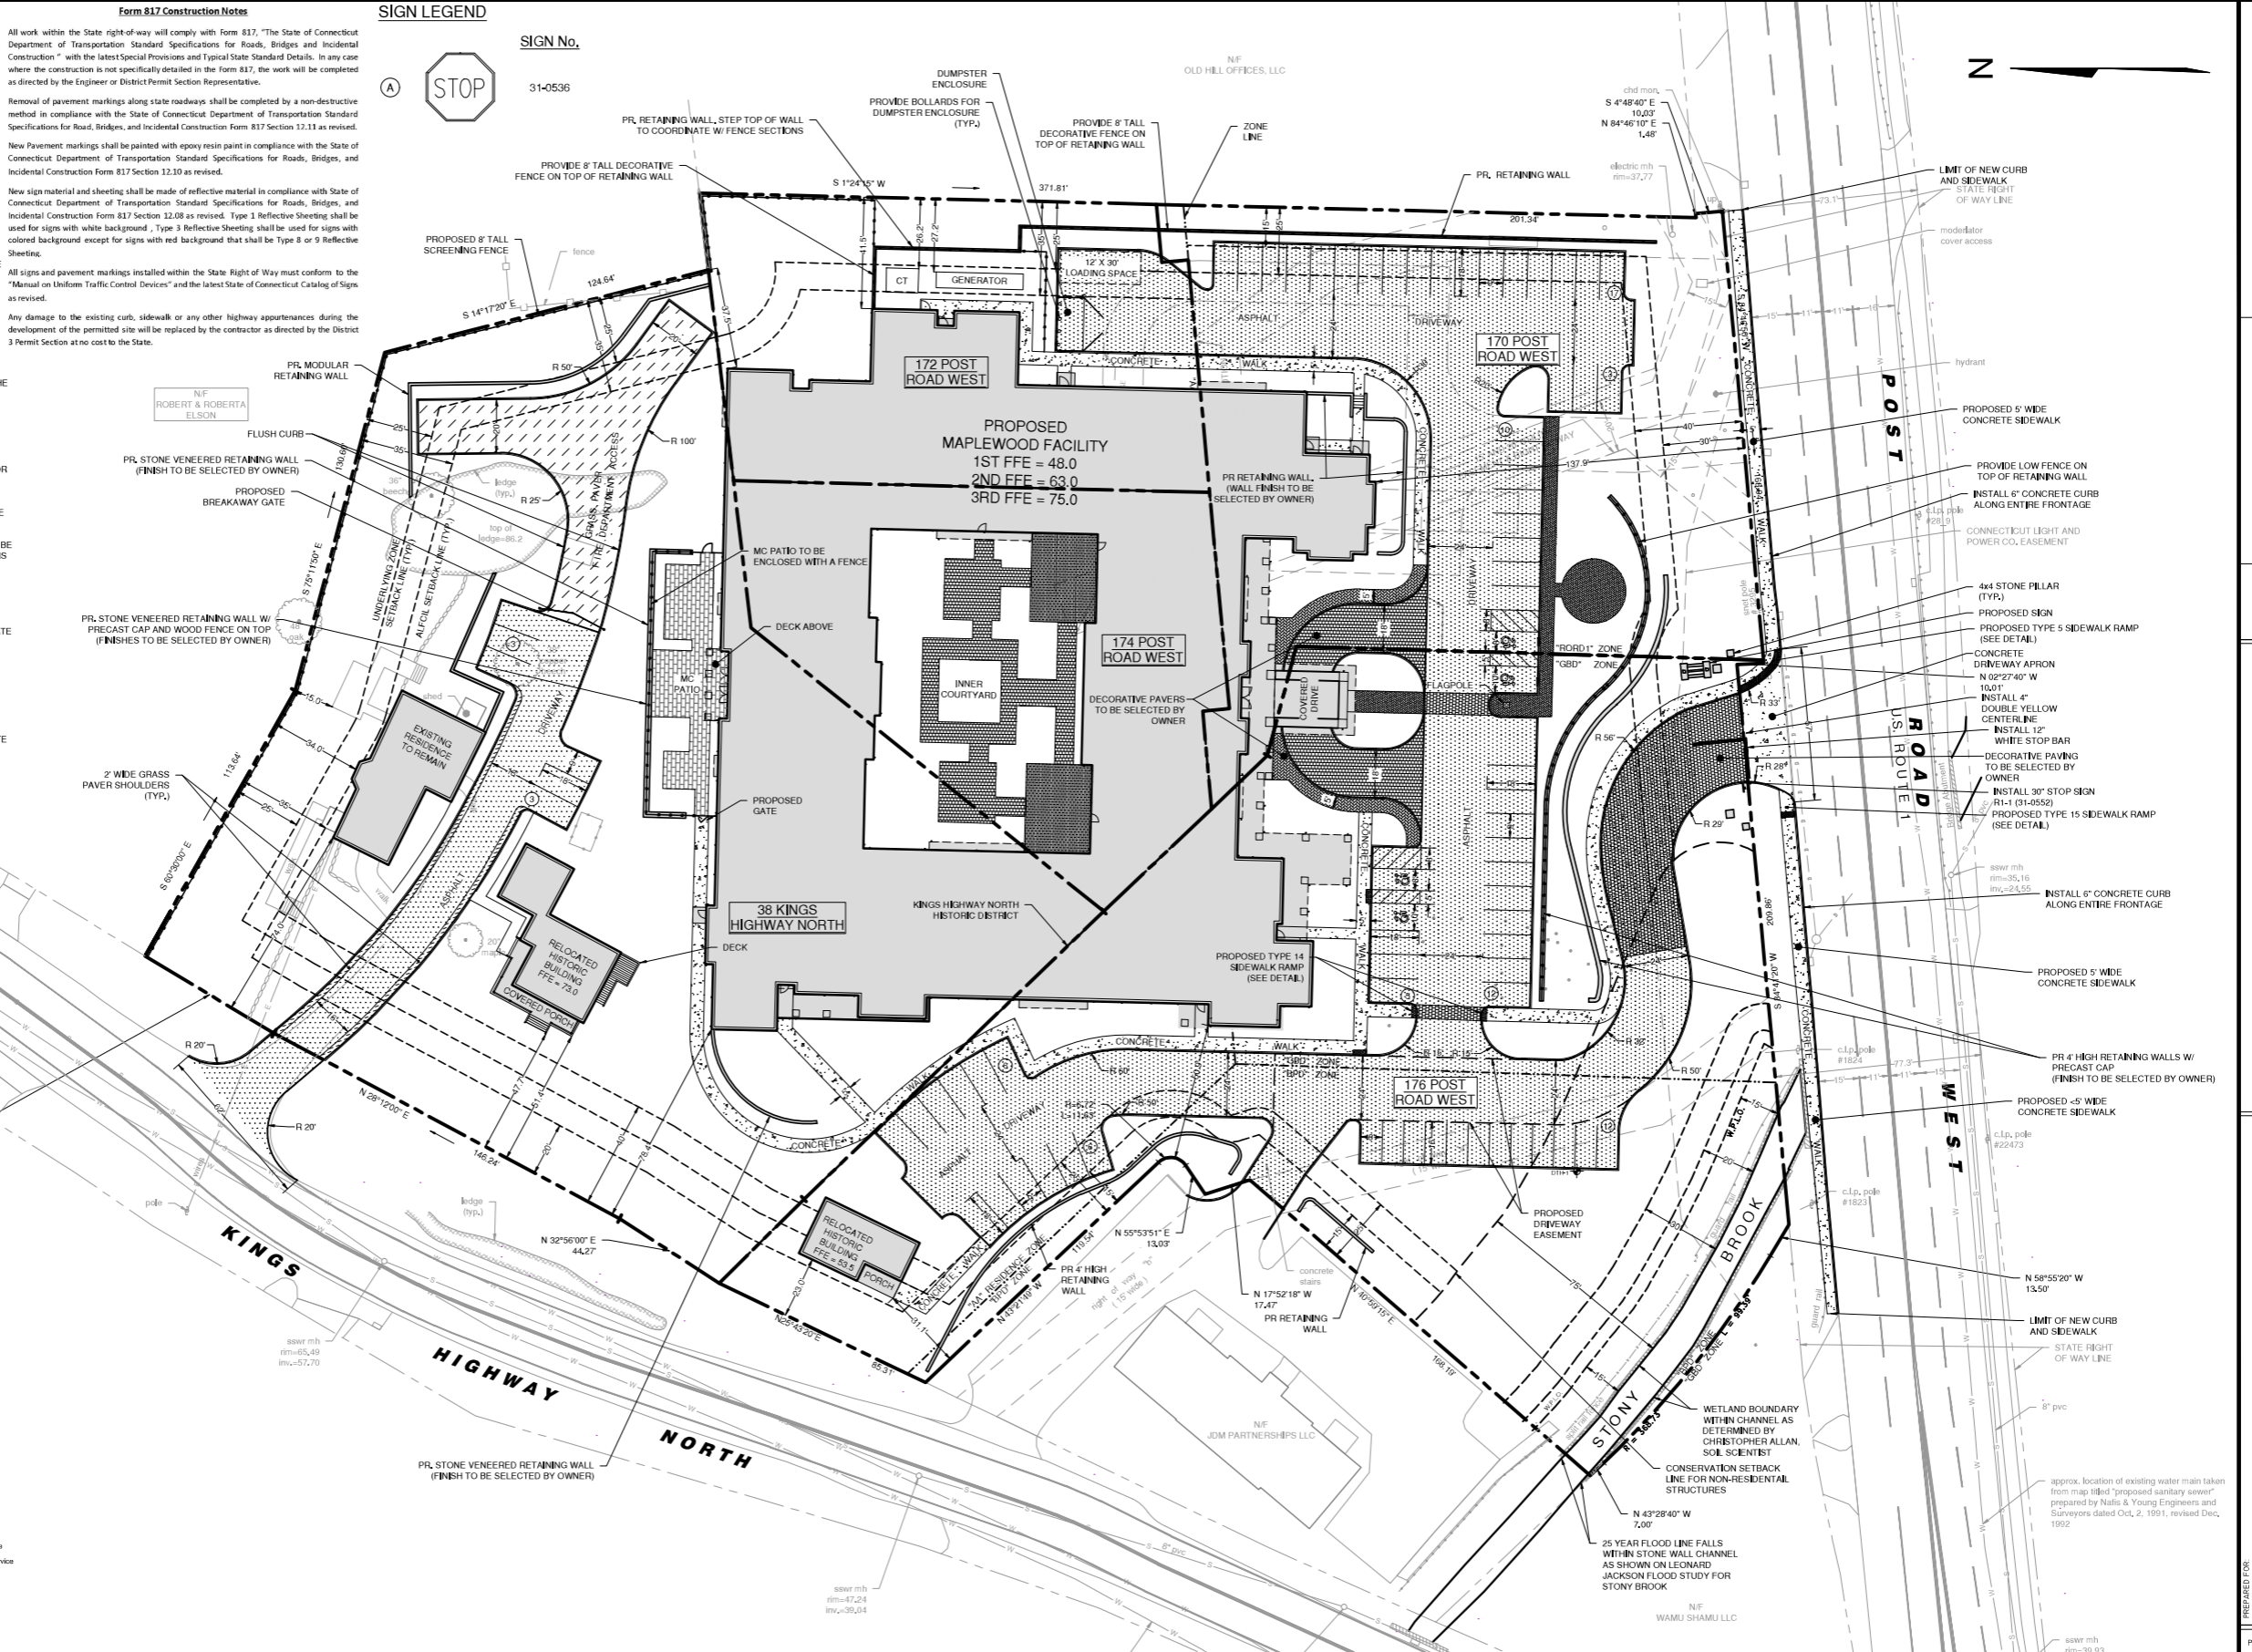

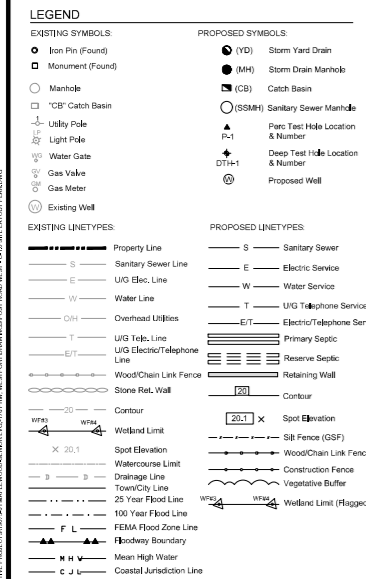

GENERAL NOTES

- 1. EXISTING FEATURES SUCH AS BUT NOT LIMITED TO WALKS, CURBS AND PAVEMENT DAMAGED BY CONSTRUCTION ACTIVITIES SHALL BE REPAIRED BY THE CONTRACTOR AT NO ADDITIONAL COST TO THE OWNER.
2. THE CONTRACTOR SHALL CONTACT MR. VINCENT HANCHURUCK, TRANSPORTATION ENGINEER 3, DISTRICT SURVEY UNIT AT (203) 289-3112 PRIOR TO ANY CONSTRUCTION WITHIN THE STATE RIGHT-OF-WAY.
3. THE CONTRACTOR WILL BE RESPONSIBLE FOR ALL ENGINEERING COSTS SHOULD THE CTDOT BOUNDARY/SURVEY MARKERS BE DISTURBED OR DAMAGED.
4. IN THE EVENT THE DEPARTMENT DETERMINES THE SUBJECT CTDOT BOUNDARY/SURVEY MARKERS NEED TO BE REPLACED DUE TO THE PROPOSED DEVELOPMENT, THE DEPARTMENT WILL FURNISH NEW MONUMENTS, WHICH THE CONTRACTOR WILL BE REQUIRED TO INSTALL UNDER THE DIRECTION OF A CONNECTICUT LICENSED SURVEYOR.
5. ALL CONSTRUCTION WITHIN THE CTDOT R.O.W. INCLUDING SIGNAGE AND PAVEMENT MARKINGS SHALL CONFORM TO THE STANDARD SPECIFICATIONS OF CTDOT FORM 817.
6. THE CTDOT BOUNDARY/SURVEY MARKERS SHALL BE VERIFIED AND ACCEPTED BY THE DISTRICT 3 SURVEY UNIT PRIOR TO RELEASING THE ENCROACHMENT PERMIT BOND.
7. NO CTDOT BOUNDARY/SURVEY MARKERS WERE FOUND WITHIN THE PROJECT LIMITS.
8. ALL SIGNAGE POSTS SHALL BE INSTALLED IN ACCORDANCE WITH THE CTDOT STANDARDS SHEET 39.
9. 12" WIDE WHITE STOP BARS SHALL BE INSTALLED IN ACCORDANCE WITH THE SECTIONS IN CTDOT FORM 817.
10. NEW PAVEMENT MARKINGS SHALL BE PAINTED WITH EPOXY RESIN PAINT IN COMPLIANCE WITH THE STATE OF CONNECTICUT DEPARTMENT OF TRANSPORTATION STANDARD SPECIFICATIONS FOR ROAD, BRIDGES AND INCIDENTAL CONSTRUCTION FOR 817 SECTION 12.10, AS REVISED.
11. NEW SIGN MATERIAL AND SHEETING SHALL BE MADE OF REFLECTIVE MATERIAL IN COMPLIANCE WITH FORM 817 SECTION 12.08, AS REVISED. TYPE I REFLECTIVE SHEETING SHALL BE USED FOR SIGNS WITH WHITE BACKGROUNDS, TYPE II REFLECTIVE SHEETING SHALL BE USED FOR SIGNS WITH COLORED BACKGROUNDS EXCEPT FOR SIGNS WITH RED BACKGROUNDS THAT SHALL BE TYPE 8 OR 9 REFLECTIVE SHEETING.
12. ANY DAMAGE TO THE EXISTING CURB, SIDEWALK OR ANY OTHER HIGHWAY APPURTENANCES DURING CONSTRUCTION OF THE PERMITTED SITE WILL BE REPLACED BY THE CONTRACTOR AS DIRECTED BY DISTRICT III PERMIT SECTION AT NO COST TO THE STATE OR OWNER.
13. ALL WORK WITHIN THE STATE RIGHT-OF-WAY WILL COMPLY WITH FORM 817 WITH THE LATEST SPECIAL PROVISIONS AND TYPICAL STATE STANDARD DETAILS.
14. A PERMIT ISSUED BY DISTRICT III CTDOT IS REQUIRED BEFORE ANY WORK COMMENCES WITHIN THE STATE RIGHT-OF-WAY.
15. ALL PAVEMENT STRIPING AND REPLACEMENT NOT WITHIN THE STATE RIGHT-OF-WAY SHALL CONFORM TO THE TOWN OF WESTPORT DPW STANDARDS.
16. ANY DAMAGE TO ROUTE 1 WILL REQUIRE MILLING & PAVING.

Form 817 Construction Notes

All work within the State right-of-way will comply with Form 817, "The State of Connecticut Department of Transportation Standard Specifications for Roads, Bridges and Incident Construction" with the latest Special Provisions and Typical State Standard Details. In any case where the construction is not specifically detailed in the Form 817, the work will be completed as directed by the Engineer or District Permit Section Representative.
Removal of pavement markings along state roadways shall be completed by a non-destructive method in compliance with the State of Connecticut Department of Transportation Standard Specifications for Road, Bridges, and Incident Construction Form 817 Section 12.11 as revised.
New pavement markings shall be painted with epoxy resin paint in compliance with the State of Connecticut Department of Transportation Standard Specifications for Roads, Bridges, and Incident Construction Form 817 Section 12.10 as revised.
New sign material and sheeting shall be made of reflective material in compliance with State of Connecticut Department of Transportation Standard Specifications for Roads, Bridges, and Incident Construction Form 817 Section 12.08 as revised. Type 1 Reflective Sheeting shall be used for signs with white background, Type 3 Reflective Sheeting shall be used for signs with colored background except for signs with red background that shall be Type 8 or 9 Reflective Sheeting.
All signs and pavement markings installed within the State Right of Way must conform to the "Manual on Uniform Traffic Control Devices" and the latest State of Connecticut Catalog of Signs as revised.
Any damage to the existing curb, sidewalk or any other highway appurtenances during the development of the permitted site will be replaced by the contractor as directed by the District 3 Permit Section at no cost to the State.
