

Guaranteed Ride Now Available For Westport Shuttle Riders

What is it?

A Guaranteed Ride means exactly what it says:

If you use a monthly Uniticket to ride the shuttle buses in Westport and need a ride to or from the Saugatuck or Greens Farms train station because of an emergency – such as illness, family crisis, or working late unexpectedly – we'll provide a ride to your car, home, or wherever needed.

The best news is it's free!

Here's how to get your guaranteed ride:

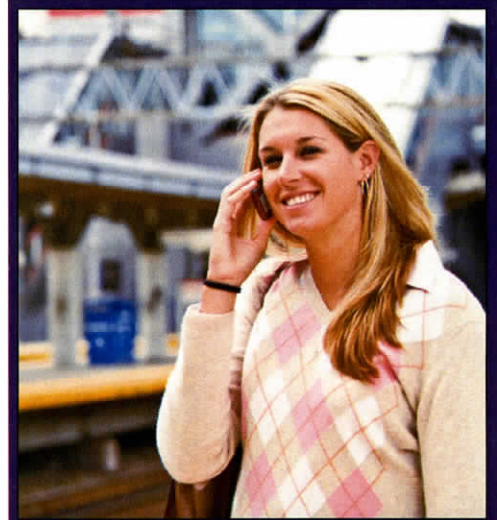

1. Call 1-877-CTRIDES (1-877-287-4337)
2. Tell the representative the serial number of your monthly Westport Uniticket as well as the reason you need a ride.
3. The representative will arrange for a taxi to drop you off at either Westport station or pick you up from either Westport station and take you to your destination. Your fare, plus a gratuity, will be paid at no cost for you.

Guidelines

- ◆ Eligible commuters are entitled to (4) rides per calendar year
- ◆ Rides are available to or from Westport stations, whenever New Haven Line trains are running and the Westport shuttles are not (mid-day or evening).
- ◆ To arrange a ride, call 1-877-CTRIDES (1-877-287-4337)
