

Good Morning Susan,

The below dates are some that I feel would best assist our mission with shellfish enforcement.

June 11,12,13,26,27

July 11,12,13,26,27

August 9,10,11,12

All times would be 0700-1000. Please let me know how many dates you would like and I will schedule.

Thanks,  
Brendan
