As part of this discussion, the Committee may continue to refer to the sample codes and other materials included in the Agenda for the February 23, 2021 meeting.
2. The intent of the Committee is to finalize the draft Code no later than during the second of these two meetings (the August 9 meeting), so that the Committee can vote on proposing a final version of the draft Code to the full RTM at the August 9, 2021 meeting.
