Members of the P & Z Committee,

As a 60 year resident of the Town of Westport I am disgusted to learn there are discussions about rezoning the Baron's South property. The people of Westport have already spoken about what we want done with this property. We have already gone through this and it was declared open space. There is NO NEED to rezone or develop this site. This site needs maintenance and care, none of which has occurred. What happened to the landscape design plan that was already funded? Why was this not implemented? These are the questions to be asked about this property. NOT REZONING.

Sincerely,

Margaret Lehn
