PERMIT REQUIREMENTS

- 1. Driveway must conform to the requirements of the Town "Driveway Ordinance".
- Applicant must submit a "PLOT PLAN", or a scaled drawing, showing the following items: 2.
 - a.) Location and dimensions of the driveway in relation to the abutting property lines and street lines.
 - b.) Location of all applicable utilities, i.e. storm drainage (Town, State or private), utility poles, fire hydrants, transformers ... etc. that may be in conflict with the proposed driveway.
- 3. No decorative stone or stone like materials (i.e. Belgium Block, brick, concrete ...etc.) are to be placed within the Town's Right-of-Way without prior approval from the Town Engineering Dept., if an approval is granted the Applicant must execute a Hold-Harmless Agreement and file it on the Land Records in the Town Clerk's office prior to the commencement of construction.
- 4. Applicant must obtain a permit from the Town of Westport Tree Warden prior to the removal of any trees within the Town right-of-way.
- 5. Applicant is required to post the "House Number" to which this driveway serves and the house number must be displayed in a prominent location so to be seen at night by "Emergency Vehicles" and must be installed prior to final approvals.
- If an applicant is proposing a driveway onto a private right-of-way, the applicant must provide the Town with documented proof that the 6. property has rights to use such right-of-way.
- 7. Permit valid for one year from date of issue.
