

§2 INTERPRETATION *Revision 05-26-78*

These regulations shall be interpreted and applied to meet at least the minimum requirements for the promotion of the public health, safety, comfort and convenience and general welfare. In considering issues arising under these regulations, the applicable ordinance, statute, law, rule or regulation which imposes the most restrictive obligation upon the use of and/or construction of buildings and structures and upon the use of land shall be applied to the extent consistent with laws.

2-1 Major Fractions

For the purposes of determining density and parking requirements, major fractions of 0.5 or more may be rounded up and under 0.5 may be rounded down.
