Revision #2– Items 4 & 5

WESTPORT™

NOTICE AND AGENDA OF BOARD OF FINANCE MEETING

SPECIAL NOTICE ABOUT PROCEDURES FOR THIS MEETING:

This meeting will be held IN-PERSON IN ROOM 201/201A OF THE WESTPORT TOWN HALL. Town Hall access will be through the front of the building. The meeting will also be live streamed on the Town Website westportct.gov (on the website, select “How Do I” Heading, and select “Watch Town Meetings”).

Comments to be read during the public comment period may be emailed to BOFcomments@westportct.gov. We will use our best efforts to read public comments aloud if they are received during the public comment period and if they state your full name and address. In-person public comments are also allowed during the public comment period. Meeting materials will be available at westportct.gov along with the meeting notice posted on the Meeting List & Calendar page.

NOTICE OF BOF EXECUTIVE SESSION

The Board of Finance will hold a Special Meeting on **Wednesday, November 2, 2022 at 7:00 p.m. in Room 201/201A of the Westport Town Hall** for the following purpose. It is anticipated that the Board of Finance will vote to go into Executive Session for such discussion:

1. Discussion of pending legal claim.

NOTICE OF BOF PUBLIC MEETING

Board of Finance will hold its Public Meeting on **Wednesday, November 2, 2022 at 7:30 p.m. in Room 201/201A of the Westport Town Hall** for the following purposes:

AGENDA

1. To approve the Board of Finance Minutes of the October 12, 2022 Regular Meeting.
2. Financial Report from the Finance Director. (Discussion Only)
3. Status Update from the Audit Manager. (Discussion Only)
4. To review and approve a Board of Education request for \$216,056.00 from the Westport’s American Rescue Plan Act (ARPA) funds, to enhance social needs of students at all five Elementary Schools.
5. Upon the request of the Director of Public Works, to approve an appropriation of \$482,000.00 along with bond and note authorization to the Municipal Improvement Fund Account 30503310-500371-10132 for an Engineer Assessment, Design Consultant, Project and Construction Managers for the feasibility study for the Long Lots Elementary School Project.

6. Upon the request of the Director of Public Works, to approve an appropriation of \$385,000.00 to the Capital and Non-Recurring Account #31503310-500369-10131 for the replacement of the existing sidewalks leading to Greens Farms School along Morning Side Drive South, Hillandale Road and Center Street. A STEAP Grant was awarded to the Town in the amount of \$250,000.00.
7. Upon the request of the Director of Public Works, to approve an appropriation of \$350,000.00 along with bond and note authorization to the Municipal Improvement Fund Account 30503310-500328-10108 for the maintenance and replacement of sidewalks in the existing network program. This project is for sidewalks leading to Bedford Middle School, Coleytown Middle School, and sections along Riverside Avenue.
8. Upon the request of the Director of Public Works, to approve an appropriation of \$550,000.00 along with bond and note authorization to the Sewer Reserve Fund Account 32003330-500370 for the purchase of a Freightliner 114SD Van-con Jet Truck to be assigned to the Sewage Collection System Division.
9. Discussion of By-Laws for Board of Finance (Discussion Only)

It is the policy of the Town of Westport that all Town-sponsored public meetings and events are accessible to people with disabilities. If you need assistance in participating in a meeting or event due to a disability as defined under the Americans with Disabilities Act, please contact Westport's ADA Coordinator at 203-341-1043 or eflug@westportct.gov at least three (3) business days prior to the scheduled meeting or event to request an accommodation.

DRAFT MINUTES OF BOARD OF FINANCE MEETING

Attendees: Sheri Gordon, Jay DesMarteau, Mike Keller (phone), Jim Foster, Brian Stern, Nancie Dupier.

DRAFT MINUTES OF BOF EXECUTIVE SESSION

The Board of Finance held a Special Meeting on **Wednesday, October 12, 2022 at 7:00 p.m. in the Auditorium of the Westport Town Hall** for the following purpose. It is anticipated that the Board of Finance will vote to go into Executive Session for such discussion: **Motion to go into Executive Session: Stern, second, Foster. Vote 6-0-0. Motion to adjourn 7:45 p.m.: Gordon, second, Foster. Vote 6-0-0.**

1. To discuss lease negotiations.

DRAFT MINUTES OF BOF PUBLIC MEETING

Board of Finance held its Public Meeting on **Wednesday, October 12, 2022 at 7:30 p.m. in the Auditorium of the Westport Town Hall** for the following purposes:

AGENDA

2. To approve the Board of Finance Minutes of the September 7, 2022 Regular Meeting. **Approved - Dupier, second, DesMarteau. Vote 5-0-1. (Stern abstains)**
3. Financial Report from the Finance Director. (Discussion Only) **Gary Conrad presented.**
4. Status Update from the Audit Manager. (Discussion Only) **Lynn Scully presented.**
5. Upon the request of the Town Attorney's office and in accordance with §C6-2 of the Town Charter, to approve a 40-year deed restriction to create affordable housing under Section 8-30g at Town-owned property at 124 Compo Road North known as Susie's House and used by Homes with Hope Inc. for Project Return. **Motion to Approve: DesMarteau, second, Dupier. Vote 6-0-0.**
6. Upon the request of the Town Attorney's office and in accordance with §C6-2 of the Town Charter, to approve a Site Lease Agreement between the Town and Dish Wireless, L.L.C. for space on the Town-owned Telecommunications Tower and Elevated Platform located at 515 Post Road East. **Motion to Approve: Foster, second, Dupier. Vote 6-0-0.**
7. Upon the request of the Superintendent of Schools, to approve an appropriation of (amount pending confirmation) for FY22-23 Capital Projects. **Motion to Approve \$831,000.00: Dupier, second, Stern Vote 6-0-0. (Moved to Item #8)**

8. Presentation by First Selectwoman Jennifer Tooker and Superintendent of Schools Thomas Scarice of the 10 Year Capital Forecast. **Jen Tooker and Tom Scarice presented. (Moved to Item #7)**
9. To review the 2023 Board of Finance Calendar. (Discussion Only) **Sheri Gordon presented.**

Meeting to Adjourn: Foster, second, DesMarteau. Vote 6-0-0.

Meeting adjourned at 10:16pm

Meeting notes respectfully submitted by James Foster, Vice Chair.

Re: ARPA Funds Request

Dear First Selectwoman Tooker,

As part of the elementary schools' efforts to address the social emotional needs of students, we have expanded opportunities for movement, exercise, and being outdoors during the school day. Although these advancements have resulted in positive outcomes, it is important that we continue to expand on our initial efforts.

All five elementary schools are in slightly different places regarding this work and as a result, have varying needs and requests. At this point, Greens Farms School and Kings Highway School are requesting funding for outdoor classrooms. In both cases, a portion of the funding for these projects will be provided by the Parent Teacher Associations at each respective school.

Coleytown Elementary School, Long Lots Elementary School, and Saugatuck Elementary School are requesting funding that will allow them to provide students with additional opportunities for movement and sensory integration throughout the school day. Although these skills and experiences have been district priorities for a number of years, the social emotional impact of the pandemic has enhanced the need to purposefully provide students with these types of experiences.

In total, the cost estimate for these projects is \$216,056. This estimate includes the procurement cost of equipment/material, shipping, installation and sitework. Below is the specific breakdown by school of the estimated expenses.

Estimated Cost:

Coleytown Elementary:	\$52,627
Greens Farms Elementary:	\$27,600
Kings Highway Elementary:	\$43,148
Long Lots Elementary:	\$40,488
Saugatuck Elementary:	\$52,193
Total:	\$216,056

Thank you for your consideration.

Respectfully,

Thomas Scarice, Superintendent of Schools

Re: Request for Appropriation of \$482,000.00 along with bond and note authorization to the Municipal Improvement Fund Account for the initial assessment and feasibility study for the Long Lots Elementary School Project.

Dear Ms. Tooker,

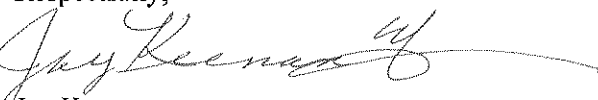

The Long Lots School Building Committee herein requests an appropriation of \$482,000.00 along with bond and note authorization to the Municipal Improvement Fund Account for initial funding for the first phase assessment and the second phase feasibility study for the Long Lots Elementary School Project.

Initial assessment activities are focused on three main tasks. 1) document review of the existing architectural, structural, civil and MEP systems as well as all prior reports and studies, 2) on-site assessment of wall, structural, roof and MEP systems, 3) to provide report and recommendations.

Feasibility study shall focus on further defining recommendations from the building assessment regarding possible renovation of the existing facility, developing studies for new construction, renovate as new and renovate as new with additions as well as schedule and costs associates with each study.

The \$482,000 request is broken down more specifically for the first four to six months of the project as \$92,000 for the initial engineer assessment and report phase, \$150,000 for the selected Design Consultant (feasibility), \$60,000 for a dedicated Project Manager/Owner Rep, \$100,000 for a Construction Manager (feasibility estimating/schedule), and the remaining \$80,000 for any early miscellaneous consultants or work identified during the feasibility study phase to assist in accomplishing the above stated goals.

We anticipate the committee will be back before all appropriate Town Committees and funding bodies at a later date.

Respectfully,

Jay Keenan
Chair, Long Lots School Building Committee

Re: Request for Appropriation to the Capital and Non-Recurring fund in the amount of \$385,000, for the STEAP Grant sidewalk replacement for the Greens Farms School Zone

Dear Ms. Tooker,

This office herein requests an appropriation to the Capital and Non-recurring fund in the amount of \$385,000.00 for the replacement of the existing sidewalks leading to Greens Farms School from the south. Namely along Morning side Drive South, Hillandale Road and Center Street. The Town was awarded a Small Town Economic Assistance Program, (STEAP), grant in October of 2022, in the amount of \$250,000.00. This project is not in the capital forecast because the sidewalks in question were included in our "unassigned" category of sidewalks to be replaced. The \$250,000.00 will be reimbursed as the work gets completed. The remaining funds, \$185,000.00, represent the Town's required contribution to the project and will not be reimbursed.

The Town currently has approximately 23.4 miles of sidewalk. Of that approximately 4.6 miles, or 24,274 linear feet are currently slated for reconstruction. In this project we propose to replace approximately 4660 linear feet of the sidewalk on Morningside Drive South, Hillandale Road and Center Street.

The work will be bid out utilizing our normal purchasing procedure, and we anticipate doing the construction over the summer of 2023.

Respectfully,

Peter A. Ratkiewich, P.E.
Director of Public Works

JUSTIFICATION FOR A CAPITAL PROJECT

DEPARTMENT INFORMATION

DEPT NAME: Department of Public Works Date: 10/17/23

PROJECT NAME AND DESCRIPTION
 Sidewalk rehabilitation and construction – This project is a continuation of our effort to maintain our existing sidewalk maintenance by addressing the worst segments of our 24 mile sidewalk network. The \$385k request is proposed to be used to replace approximately 4660lf of sidewalk on Morningside Drive South, Hilandale Road, and Center Street; basically all the existing sidewalks south of the Post Road leading directly to Greens Farms School. Of the \$385k, \$250,000 will be reimbursed by a STEAP grant that the Town was awarded in October of 2022.

IS IT LISTED IN THE 5-YR CAPITAL FORECAST? YES NO These sidewalks were not specifically listed but included in the "unassigned" category
 The State announced the STEAP Grant in June of 2022 and had a very short window for application. The Greens Farms School zone sidewalks were on our list for reconstruction and were a good fit for the funding request
 If no, why not? Greens Farms School zone sidewalks have been on our list since approximately 2014
 If yes, answer the following two questions: Which FY was the project first proposed? In 2002 just after the State declared that the Town is responsible for all sidewalks
 Which FY was the project first planned?

APPROXIMATE COST:	\$350,000	COST IN CAPITAL FORECAST: \$0	
CONTINGENCY (10%):	\$35,000		
	\$385,000	←TOTAL	REQUEST→ \$385,000

Re: Request for Appropriation along with bond and note authorization to the Municipal Improvement Fund Sidewalk major maintenance expenditure

Dear Ms. Tooker,

This office herein requests an appropriation along with bond and note authorization to the Municipal Improvement Fund in the amount of \$350,000.00 for the maintenance and replacement of our existing sidewalk network. This is an ongoing bi-annual program that was started in 2002. The capital forecast shows \$350,000 this year.

The Town currently has approximately 24 miles of sidewalk. Of that approximately 4.6 miles, or 24,274 linear feet are currently slated for reconstruction. In this project we propose to replace approximately 4000 linear feet of the sidewalk along the roads leading to Bedford Middle School and Coleytown Middle School, as well as some random sections of concrete sidewalk along Riverside Avenue.

The work will be bid out utilizing our normal purchasing procedure in January/February, and we anticipate doing the construction over this coming summer and the next.

**Re: Request for Appropriation from Sewer Reserve fund – Purchase of Freightliner 114SD
Vac-con Jet truck**

Dear Ms. Tooker,

This office respectfully requests an appropriation of **\$550,000** for replacement of our 2009 International IH 7400 Vac-con jet truck with a 2023 Freightliner 114SD Vac-con Jet truck. This is a front-line piece of equipment assigned to the Sewage Collection System Division. On a daily basis it is used for maintaining our gravity sewer mains in a clean and serviceable condition as well as being a front-line response vehicle when we experience a sewage backup or clog. This vehicle has a high-pressure jet system to punch through sewer clogs, as well as a backwash head that can be pulled through a sewer main to clean the entire circumference of a pipe. In addition, the truck has a powerful vacuum system to clear out debris and detritus from manholes after clogs are cleared, and/or pipes are cleaned.

Currently Truck #75 is showing signs of fatigue and wear. We anticipate needing numerous other repairs to the vehicle in coming years. In the current used truck environment, and based on recent sales, we anticipate getting a good price for the vehicle at auction, which will be used to offset the cost of the new vehicle.

This truck is scheduled for replacement on the 5-year Capital forecast in FY 2024 at a value of \$500,000. The attached cost summary and specification reflects the base price for the vehicle from Sourcewell Contract 101221-VAC at \$498, 651.00. Rounding the price to \$500,000 and adding a 10% contingency for lights, radios, automatic vehicle locators, etc. totals out the request at \$550,000. This appropriation request is for FY 2024 expenditures and will not be spent until after July 1, 2023. We are asking for the appropriation now to demonstrate Westport's commitment to purchasing the vehicle, so that we can lock in the contract price now in 2022.

Respectfully,

A handwritten signature in black ink, appearing to read "Peter A. Ratkiewich".

Peter A. Ratkiewich, P.E.
Director of Public Works

cc: Gary Conrad, Finance Director

JUSTIFICATION FOR A EQUIPMENT/VEHICLE

DEPARTMENT INFORMATION

DEPT NAME: **Public Works - Highway** Date: **10/18/22**

EQUIPMENT OR VEHICLE NAME AND DESCRIPTION
Truck #75 – Westport Wastewater Collection Department, Replacement of 2009 International IH7400 Vac-con Jet truck with Freightliner model 114SD

 This is an early request to lock in 2022 Sourcewell Pricing; funds will not be spent until July of 2024

IS IT LISTED IN THE 5-YR CAPITAL FORECAST? YES NO This truck is scheduled for replacement in FY2024. This is an early request to lock in pricing. Funds will not be spent until July 1, 2023

 If no, why not?

APPROXIMATE COST: **\$550,000 (see attached)** COST IN CAPITAL FORECAST: **\$500,000**

 Source of funds: **Sewer Reserve**

ESTIMATED USEFUL LIFE: **12-15 years**

Has an RFP been issued? YES NO Truck will be purchased utilizing Sourcewell bid

 Have bids been received? YES NO Number of bids received: _____

 Was the lowest bid the winner? YES NO If not, why?

How will the equipment/vehicle be used?
This truck is used to clear clogs in gravity sewer mains, as well as to perform routine maintenance on problem pipes year-round. It is a front-line piece of equipment that is one of the primary tools we use to prevent and clear sewer overflows

Is it a replacement? YES NO

 If yes, describe condition of what is to be replaced: **2009 International IH7400 Jet truck w/ Vac-con Existing Vehicle is showing signs of wear, and is due for trade-in.**

 Pictures attached? YES NO

NEW SOURCEWELL TITAN COMBINATION JET/VACUUM SEWER CLEANER
SOURCEWELL CONTRACT: 101221-VAC

Customer: WESTPORT WPCA Shipping: CONNECTICUT

	Requirement Specification	
	Combination jet/vacuum sewer cleaner with all standard equipment TAQD311HE/1000 (TITAN PACKAGE)	
	Upgrade Model to Titan G2 VT310/1000 L H A -P	
	2023 Freightliner model 114SD 4 x 2, 43,000 GVWR chassis with a 370 HP engine, 3000 RDS transmission *Special Order Chassis	
	Body mounting on Chassis	
	Titan Package Including all standard equipment	
	AQD Fan drive for Titan	
	10' Aluminum telescoping boom with pendant control station	
	Front mounted articulating to driver's side hose reel, 600' x 1" capacity	
	25' aluminum intake hose (1 - 3', 2-5', 1-6' and 1-6.5' catch basin nozzle) with locking quick clamps	
	Sealed and locking tool boxes	
	Zink, PPG paint - line on process, "aircraft-grade" primer	
	12 month standard warranty on module	
	5# fire extinguisher	
	Set of triangles	
	5 year centrifugal compressor (fans) warranty	
	2 year water pump warranty	
	5 year water pump drive warranty	
	500' x 1 " 3000 PSI Jet rodder hose	

Requirement Specification
Giant water pump system rated 60 GPM @ 3000 PSI with a GM 5.7 Gas 140HP auxiliary engine
Flat style rear door in lieu of dome style door including hydraulic opener
Dump high option
Rear splash guard (2-10 O'clock) tank mounted
Stainless steel ball on debris body level indicator
1/4 Turn ball valve water drain
50' Capacity retractable hand gun hose reel
Air purge system
Arctic winter recirculating system rodder hose
Debris body "Power Flush" system, 8 jets
Hydro-excavation package
Pre-tank water filter Y-type
Water pump remote oil drain
Winter recirculating connection for low pressure hand-gun
Hose footage counter
Power guide "Reel Power" level wind guide
Auxiliary engine remote oil drain
Cone rack, hinges style/deck
Long handle storage PVC
Rear bumper assembly
Remote boom grease zerck assembly
Remote debris tank grease assembly
