Tax Collector

Subject: Suspense Tax Book

Date: May 17, 2023

In accordance with State Statute 12-165, this office submits the following motor vehicle and personal property taxes for the transfer to the Suspense Tax Book.

Personal Property Taxes for the list year 2020 - 158 - \$117,581.04

Motor Vehicle Taxes for list year 2020 - 469 - \$121,658.03

Supplemental Motor Vehicle Taxes for list year 2020 – 175 - \$32,963.86

Total Transfer to Suspense Tax Book for list year 2020 – 802 accounts = \$272,202.93

To the best of our knowledge, these accounts are deemed uncollectible due to relocation, out of business, and unresponsive to repeated requests. This does not negate further efforts; it simply means the account is no longer an asset.

## MEMORANDUM

To: Lee Caney, Chair, Board of Finance

CC: Gary Conrad, Finance Director  
Elaine Daignault, Human Services Director

From: Eileen Lavigne Flug, Assistant Town Attorney *ELF*

Date: April 28, 2023, Revised May 5, 2023 (to add lease background)

Subject: 15-Year Use Restriction for Gillespie Center Building at 45 Jesup Road

Please add to your May 17 agenda the attached 15-year Use Restriction covering the Gillespie Center building at 45 Jesup Road.

This Use Restriction is a condition of the Town's receipt of \$1.2 million of grant funds from the Connecticut Department of Housing for improvements to the Gillespie Center building. The Use Restriction will limit use of the building to the existing purposes for 15 years after completion of the improvements.

You may recall that the Town leases this property to Homes with Hope under a lease (attached) that expires October 31, 2029. The lease allows the Town to terminate it upon 3 months' notice if the property is needed due to a casualty or act of God, and upon 18 months' notice for any reason. The Use Restriction will not affect the lease, but will obligate the Town to continue to operate the facility for the same purposes for the remainder of the term of the Use Restriction.

Attached is an authorization from First Selectwoman Jen Tooker to add this lease to your agenda and a draft copy of the Use Restriction. If any changes are made to this draft prior to your meeting, we will circulate the revised draft to the Board.

Please let me know if you have any questions.

Thank you.

RE: 15-Year Use Restriction for 45 Jesup Road  
Westport Homeless & Food Insecurity Improvement Project  
Small Cities Grant #SC2015803

Human Services is the grant administrator for Westport's 2020 Small Cities Community Development Block Grant Special Application to the CT Dept of Housing for COVID Funding Under the Cares Act. The requested 15-year Use Restriction at 45 Jesup Road is consistent with the CDBG Federal regulation to ensure the improved facility will be used as intended at the time of funding for the given period.

The \$1.2M grant to enhance the Homes with Hope Shelter facility, known as the Gillespie Center, will offer several benefits to the Town, including a timely update of the Town-owned building and improved facilities to meet the growing service and safety needs of Fairfield County's most at-risk individuals during and after the COVID-19 pandemic.

The project includes:

1. Renovation of restrooms and laundry facilities to improve staff and resident /client hygiene and safety; create a new ADA, unisex restroom with separate shower facilities on the first floor; includes plumbing, electrical work, and reconfiguring the boiler room to accommodate a new HVAC with a filtration system and generator.
2. Create an interior corridor to improve egress to/from the Women's Shelter so female residents no longer need to exit the building to partake in food and client services.

3. Minimal demolition and reconfiguration of the stairway to improve access to casework spaces and the food pantry; and protect volunteers, staff, and clients from unnecessary exposure with current access through the resident community room.
4. Reconfigure flooring on the 2<sup>nd</sup> floor to improve food storage capacity and create distinct areas for food and casework; install a dumbwaiter to expand food distribution.
5. To increase the usable square footage for pantry enhancements, adding flexible space for specialized diets, personal hygiene supplies, and programmatic meeting space.
6. Install a dumbwaiter for safe, efficient, and accessible collection and distribution of pantry items.
7. Add a restroom on the second floor to reduce the risk of COVID spread, creating facility access without entering the shelter residence.
8. Allow for technology upgrades to automate food requests, thus improving efficiencies and reducing direct contact/exposure between volunteers and clients.
9. Recondition two existing dorm spaces to offer a third shelter isolation space for ill residents.
10. Add two dormers to improve the second floor's flow to accommodate the pantry and client services.
11. Installation of sprinkler system

To accept the \$1.2M grant funds for shelter improvements, the Town must establish a 15-year Use Restriction for the property to meet the state and federal requirements set forth by the Department of Housing. Thank you for considering our request to approve the Use Restriction so we may move forward with the renovation.

After recording, please return a copy to:

### **WITNESSTH:**

**WHEREAS**, pursuant to a certain Assistance Agreement of an approximately even date herewith between the Town and the State, which Assistance Agreement is incorporated herein by reference and is made a part hereof as if it was set forth in full herein (the “Assistant Agreement”), the State has agreed to provide certain financial assistance to the Town pursuant to 24 CFR 570 to be used for a project entitled “Westport Homeless & Food Insecurity Improvements” (the “Project”); and

**WHEREAS**, the State is willing to provide said financial assistance to the Town on the condition that the Town agree that with respect to a certain building located at 45 Jesup Road, Westport, Connecticut, which building is more particularly described on **Schedule A** attached hereto and made a part hereof (the “Subject Property”), it shall not, without the express prior written consent of the State, use or permit the Subject Property to be used in a manner which is inconsistent with the purposes set forth herein and in the Assistance Agreement:

**NOW THEREFORE**, in consideration of the premises and the covenants herein contained, the Town hereby agree as follows:

1. **Use Restriction.** (a). Until (i) such time as the Town has fulfilled its obligations contained herein and in the Assistance Agreement and in any of Project Documents, including without limitation, obligations to repay all or part of the Funding pursuant to an instance of Default under the Assistance Agreement, or (ii) 15 years following the date the Town receives a Certificate of Completion from DOH, whichever shall be the latter to occur, unless the Commissioner shall consent in writing to the contrary, (a) the Subject Property shall only be used for the purposes set forth in the Financing Plan and Budget attached hereto as **Schedule B** and only in accordance with the terms and conditions of the Assistance Agreement.

(b) The Town intends, declares, and covenants, on behalf of itself and all future Owners of the Premises during the term of this Declaration, that this Declaration and the covenants and restrictions set forth in this Declaration regulating and restricting the use, occupancy and the transfer of the Premises (1) shall be and are covenants running with the land, encumbering the Premises for the term of this Declaration, binding the Town’s successors in title and all

subsequent owners of the Premises; (2) are not merely personal covenants of the Town; and (3) shall bind the Town (and the benefits shall inure to the State and any past, present or prospective tenant of the Premises) and its respective successors and assigns during the term of this Declaration.

(c) Upon execution of this Declaration by the Town, the Town shall cause this Declaration and all amendments hereto to be filed on the land records of the municipality in which the Premises are located, and shall pay all fees and charges incurred in connection therewith. Upon recording, the Town shall immediately transmit to the State a receipt of the same and shall cause the recorded Declaration to be returned by the municipality to the State.

2. **Further Conveyance.** The Town agrees that any conveyance, including without limitation, a lease, made by it of the Subject Property or any part thereof, shall specifically state that it is subject to the terms of this Use Restriction. Nothing contained in this paragraph shall be so construed as to permit the Town to make such a conveyance without obtaining the express consent of the Commissioner. This Section 2 shall not apply to the existing lease of the Subject Property to Homes with Hope, Inc., which lease may be renewed without the consent of the Commissioner, so long as any such renewal lease states that it is subject to the terms of this Use Restriction.

3. **Project Documents.** The Town hereby agrees that this Use Restriction shall constitute one of the Project Documents as such term is defined in the Assistance Agreement. All Capitalized terms used but not otherwise defined herein shall have the meaning ascribed to such terms in the Assistance Agreement.

4. **Default.** Any violation of the covenants of the Town set forth in Section 1 or 2 of this Use Restriction shall constitute a default hereunder. The Town agrees and acknowledges that the occurrence of a default under this Use Restriction shall constitute an instance of Default under the Assistance Agreement.

5. **Injunctive Relief.** The Town acknowledges that any damages which the State may sustain upon a violation of the Use Restriction may be difficult to measure and ascertain and further agrees that any violation of the terms of this Use Restriction shall entitle the State to injunctive relief in addition to any other remedies available to the State  
(i) at law or in equity or (ii) under the terms of the Assistance Agreement.

6. **Expenses.** The Town shall be liable to pay all costs and expenses, including reasonable attorney's fees and expenses, incurred by the State in enforcing or in taking any action necessary to preserve and protect its rights under this Use Restriction.

7. **Governing Law.** It is the intention of the parties and it is expressly understood that this Use Restriction and rights hereto are expressly governed by and are to be enforced in accordance with the laws of the State of Connecticut.

8. **Notices.** All notices, requests or demands to or upon a party to this Use Restriction shall be given or made by the other party hereto in writing and shall be sent certified mail, postage prepaid, return receipt requested, addressed to the addressee at the address set forth below.

Re: Request for Appropriation to the Capital and Non-Recurring fund in the amount of \$473,000, for the Hillspoint Road sidewalk replacement.

Dear Ms. Tooker,

This office herein requests an appropriation to the Capital and Non-recurring fund in the amount of \$473,000.00 for the replacement of the existing sidewalks along Hillspoint Road, between Hales Road and Compo Hill Avenue. The Town was awarded a Community Connectivity grant in 2017, in the amount of \$307,649.00. This project is in the capital forecast at a funding level of \$170,000, which does not include the grant. The \$307,649.00 will be reimbursed as the work gets completed. The remaining funds, \$165,351.00, represent the Town's required contribution to the project and will not be reimbursed.

The Town currently has approximately 25 miles of sidewalk. In this project we propose to replace approximately 2440 linear feet of the sidewalk or 0.46 miles

The work will be bid out utilizing our normal purchasing procedure, and we anticipate doing the construction over the summer of 2023.

Respectfully,

A handwritten signature in black ink, appearing to read "Peter A. Ratkiewich", with a long horizontal flourish extending to the right.
