EXISTING CONDITIONS (Describe existing property and structures): Single-family residence with attached driveway. The entire property is in the 100-year flood zone of Long Island Sound (AE-13.0) and the WPLO.

PROJECT DESCRIPTION/PURPOSE (Describe the proposed activity): Proposed renovations to the existing existing residence with residential additions, including an attached carport, additions to the living space and a new driveway. The existing residence and all residential additions will be brought into FEMA compliance.

I hereby depose and say that all statements contained herein and all exhibits attached hereto are true and binding to the best of my knowledge:
[Signature] April 11, 2023
(Signature of Applicant) (Date)

The act of applying to the Conservation Commission and/or Department implies consent to the proposed activity, and grants permission to the Conservation Commission/Department and its agents to inspect the property herein described for the purpose of resource inventory, impact analysis, and compliance investigation at any time beginning on the date of the application filing, and extending through the pendency of any permit issued, or in the event of permit denial, for the purpose of compliance control.

(Signature of Property Owner) (Date)
