### I. PUBLIC HEARING

1. **Parker Harding Plaza / WPL-11724-23;** Application of Keith S. Wilberg, Town Engineer, on behalf of the Town of Westport, to revise the existing roadway and parking lot, build sidewalks, a riverfront boardwalk, and park areas, and to relocate trash and recycling dumpsters. The proposed activity is within the WPL area of the Saugatuck River.
2. **9 Green Acre Lane / WPL-11754-23;** Application of Bryan Nesteriak on behalf of Jessica & Jonathan Manela, to construct an addition to an existing single-family dwelling, driveway, and retaining wall. The proposed activity is partially within the WPL area of an unnamed tributary to Pussy Willow Brook.
3. **50 Roseville Road / WPL-11761-23;** Application of Aleksandra Moch on behalf of the owners, Natalia & Stanley Pinkus, to construct a new single-family dwelling, driveway, septic system, storm water detention system, stone retaining wall, and associated grading. The proposed activity is partially within the WPL area of an unnamed tributary to the West Parish Tributary of Muddy Brook.
4. **25 Ford Road / WPL-11764-23;** Application of David Fiereck on behalf of the owner, 25 Ford Road LLC, to conduct environmental remediation consisting of shallow excavation, installation of a flexible membrane liner, backfill, and restoration to existing grades. The work is partially within the WPL area of the Saugatuck River and the West Branch of the Saugatuck River.

II. DISCUSSION

1. Upon completion of the Public Hearing, and time permitting, the members of the Board will have an open discussion reviewing the boards efforts to assist The Town of Westport in controlling flood and erosion. The open discussion will include the members of the Board with the opportunity to express their thoughts and recommendations on what can and should be done to help The Town of Westport further control flooding and erosion.
