**RE:    *Planning & Zoning Commission Landscape Subcommittee Request  
Westport Inn – 1595 Post Road East***

Dear Ms. Young,

On behalf of the Delamar Hotel, we are pleased to submit a copy of the revised landscaping and lighting plans prepared by Eric Rains Landscape Architecture for review by the Planning & Zoning Commissions' Landscape Subcommittee. This request is being made per Condition 9.E. of the Site Plan/Special Permit received for the redevelopment of the Westport Inn (PZ-23-00045).

As previously discussed, ERLA is now the landscape architect of record and has updated the landscaping and lighting plans originally prepared by James Doyle Design Associates. The updates made were minor and in coordination with both our office and Beinfield Architects to address comments and conditions per the approval.

We look forward to meeting with the Subcommittee to review these plans at their earliest opportunity. Should you or your staff have any questions or comments, please do not hesitate to reach out to us.

Sincerely,

David R. Ginter, P.E.
