## Coffee with a Cop

The Westport Police Department has partnered with Kneads Bakery Café Mill for an upcoming Coffee with a Cop Event to be held on Wednesday, July 26<sup>th</sup> from 8:00am – 9:30AM at Kneads Bakery Café Mill located at 580 Riverside Avenue.

When you stop in for your morning coffee, leave a little extra time to join your neighbors and police officers for coffee and conversation. The goal is to create a space where there are no communication barriers, no speeches, no agenda, just honest conversations about issues affecting our community, a chance to ask questions and discuss local things to do and places to eat.

Since its inception in 2011, Coffee with a Cop events have served to build trust and help foster a sense of community. Law enforcement agencies large and small have embraced the events as a way to connect with their residents and get to know each other over a cup of coffee.

The men and women of the Westport Police Department would also like to extend our sincerest thanks to Kneads Bakery Café Mill for hosting this event.
