DETAILS THAT MAKE ALL THE DIFFERENCE

The result of more than a decade of research and development, JELD-WEN® Sideline® windows and patio doors are designed to be more than beautiful. They are made to be reliable and efficient and are backed by a warranty that gives you peace of mind.

INNOVATION
 Double-hung styles are designed with connected jamb liners for a unique and uniform appearance. Customized muntins and hardware choices highlight detail and energy efficiency.

PROTECTION
 Built with superior Australon® pine protection against wood rot, water damage, and termites. See page 4 for more information.

VERSATILITY
 Available with a wood or aluminum clad exterior, with extensive finish and hardware choices. Impact option available for most styles.

AUTHENTICITY
 Able to meet most historical building requirements (please check your local regulations).

CONFIDENCE
 Features a 20-Year Limited Warranty on each window or patio door, plus a lifetime lifetime warranty on Australon® pine. See page 4 for more information.

EASY ON THE ENVIRONMENT

Water-based process releases up to 96 percent fewer volatile organic compounds (VOCs) during the manufacturing process than traditional solvent-based methods.

WET WEATHER PROTECTION

Whatever the climate, Auralast® pine protects against water damage and rot like no other. Whether it's humidity, storms or dampness, Auralast® pine stands up to the rigors of wet weather.

TERMITE PROTECTION

Termites can be devastating to windows and doors, but not to those built with Auralast® pine. It safely and effectively repels termites, preserving the beauty of your investment.
