Hi Michael. I read a write-up in the Westport Journal this morning about the field lighting initiative you are leading, which mentioned reaching out to neighbors on High Point Road and Woody Lane. I live on Wedge Wood Road and my house, and those of two of my neighbors, borders the Ginny Parker Field so it might make sense to include us in any reach out effort. My own concerns aren't light pollution, but noise. Assuming Ginny Parker is in scope for this project, please can be a part of whatever conversations or surveys are taking place? Thank you so much - Emma (emma.cusato@gmail.com; 203-232-8962)
