Goal 1: Protect and expand the inventory of the existing historic resources within Westport	2	1	1	1	1	1	
Action Item: Identify potential historic districts and areas of historic properties through new surveys	I feel lke we have done this but nothing ever comes of the results of the survey.	2	1		3	9	
Action Item: Consider conducting thematic surveys of Westport as an alternative to traditional surveys	We have done this with the bridges but seem to have stalled	х	2		10	10	
Action Item: Consider conducting a survey of historic properties in high hazard areas such as floodways and coastlines	Not sure what the point is when compliance with FEMA is going to condemn resources to demolition	х	4		11	7	
Action Item: Explore alterrnative forms of survey methods, such as community led surveys which can help identify new resources to be included in an updated Historic Resource Inventory (HRI)	We can do this in conjunction with social media	4	4		5	11	
Action Item: Explore adopting new village district ordinances in areas of Westport where the existing scale, architectural style, and character of the neighborhood should be preserved.		1	1		4	4	
Action Item: Create new incentives which encourage the rehabilitation of existing structures	I feel like Wendy's work on 32- 18 does this so we need to wait and see what P&Z does wih it	3	4		1	1	
Action Item: Allow for more flexibility in zoning regulations to encourage the thoughtful redevelopment of existing sites while protecting existing structures	1	HDC does not have ultimate responsibility for this			6	2	
Action Item: Encourage property owners to apply for state and national incentives such as the Historic Homes Rehabilitation Tax Credit and the CT Historic Rehabilitation Tax Credit	I would do this once we know more about the revamped programif Erin Finke ever completes it and makes good on her promise to train us	х	1		7	3	
Action Item: Explore adding energy efficiency guidelines for historic buildings		х	4		2	5

Action Item: Work with industry experts, local builders, and architects to explore alternative building materials which may be appropriate for historic structures		x	4		8	8	
Action Item: Consider creating an honorary landmark plaque program	One exists so we could consider taking this over from The Westport Museum of History and Culture	5	4		9	6	
Goal 2: Foster a greater understanding of local preservation efforts and local history by actively engaging the community of Westport	1	3	2	2	3	3	
Action Item: Develop historic context reports for existing historic districts and potential historic districts.	Doesn't a Study Report already do this?	х	3		6	6	
Action Item: Consider conducting thematic based historic context reports of Westport	I don't understand what this means	5	3		9	10	
Action Item: Continue to utilize social media to engage the community	2	2	1		4	4	
Action Item: Utilize story maps and other web-based technologies on the town's website to inform residents of local history and important sites		x	3		5	3	
Action Item: Improve the town's landing page for the HDC to include additional information on local history, important buildings, and districts		done	2		1	7	
Action Item: Adopt a local marker, wayfinding, or other interpretive marker program for local historic districts and historic sites		4	1		8	2	
Action Item: Update the existing historic homeowners handbook to be more user-friendly and consider creating a complimentary brochure or handout	This has been completed	x	4		7	8	
Action Item: Provide owners of historic properties information on available incentives; ensure information on incentives is provided to new owners	When the State gets their act together on this we can try to do something	3	5		2	1

Action Item: Explore the creation of preservation related public events or festivals during Preservation Month	We do this through the Preservation Awards	х	1		10	9			
Action Item: Each year celebrate successful preservation projects during Preservation Month through preservation awards	We already do this	1	1		3	5			
Goal 3: Align Westport's preservation efforts with complimentary town, state, and non-profit activities	5	4	3	4	4	4			
Action Item: Ensure that future planning efforts align with the goals and objectives of the Preservation Plan		HDC does not have ultimate responsibility for this	2		1	1			
Action Item: Create partnerships with local non-profits and other advocacy groups to foster coordination between the Town and involved parties		3	1		5	4			
Action Item: Explore ways for collaboration between the HDC and other town boards and departments such as P&Z	This would be great if P&Z cared about our little part of the world	1	1		4	2			
Action Item: Consider becoming a Connecticut Main Street Town	Not sure what this entails and how it would change anything	5	3		7	3			
Action Item: Include members of the HDC is other town planning efforts where historic resources may be affected		2	1		2	5			
Action Item: Partner with local realtors architects, and other industry experts to create new Continuing Education (CE) courses for historic preservation	2	4	3		6	7			
Action Item: Ensure the HDC supports Westport's goal of becoming a Net Zero Community through the utilization of historic resources and partnerships with local and state organizations		х	3		3	6

Goal 4: Expand the internal operations of the Historic District Commission	3	5	4	5	5	5	
Action Item: Continue to apply for grant funding annually to meet the goals and strategies of the Preservation Plan	We do this annually	1	1		5	3	
Action Item: Have staff and commissioners attend training and/or conferences	and this	2	1		4	6	
Action Item: Bring in experts to conduct public trainings such as window restoration workshops, brick repair workshops, and other home improvement workshops on a regular basis	This could be fun but also a ton of work that I fear would fall to too few people	4	1		3	5	
Action Item: Conduct a study to determine the viability of creating an advocacy non-profit for local preservation efforts		5	3		6	4	
Action Item: Extablish a follow-up process for cases that come through the HDC	This is a great idea	3	1		2	1	
Action Item: Follow-up with applicants who have been through the §32-18 process to determine where improvements could be made		х	4		1	2	
Goal 5: Provide reasonable alternatives to full scale demolition within Westport	4	2	5	3	2	2	
Action Item: Revise the existing demolition delay ordinance to provide further guidance at each step in the delay process		3	4		5	5	
Action Item: Consider adopting a policy to salvage architectural elements and usable materials in the event of a demolition		5	5		1	4	
Action Item: Adopt regulations in districts which encourage new construction to be of compatible scale in the event of demolition		1	5		2	3	
Action Item: Establish a process for moving historic structures as a last resort when demolition is unavoidable		4	1		4	2
