# DETOUR ALERT

## WEEKEND 1

From: **Friday, October 20<sup>th</sup> (8PM)**  
To: **Monday, October 23<sup>rd</sup> (6AM)**

I-95 NB will be closed and the traffic will be detoured on the I-95 SB bridge thus severely restricting traffic flow.

## WEEKEND 2

From: **Friday, November 3<sup>rd</sup> (8PM)**  
To: **Monday, November 6<sup>th</sup> (6AM)**

I-95 SB will be closed and the traffic will be detoured on the I-95 NB bridge thus severely restricting traffic flow.

## Weekend Road Closure

The CT Department of Transportation is replacing the I-95 Bridge over Saugatuck Ave. at Exit 17. This work will increase traffic on local roads and cause travel delays.

Disruptions are being minimized whenever possible. Road detour signs and police will guide travelers throughout the construction weekends.

Construction will take place unless there is an extreme weather event.

Please plan ahead to limit travel and seek alternate routes if possible.

Thank you for your patience.
