## Westport Smoke Shop Seizure

On December 19, 2023, Westport detectives executed a search warrant at the Savvy Smoker located at 940 Post Road East following several community complaints regarding the sale of illegal substances, which were corroborated by an investigation by the detective bureau. The business does not hold a cannabis dispensary, hybrid retailer, retailer, or delivery service license from the Connecticut Department of Consumer Protection (DCP). Along with assistance from agents of the State of Connecticut DCP Drug Control Division, investigators searched the premises and seized a significant number of illegal items. Among the items seized were hundreds of jars of pre-rolled marijuana cigarettes and vape cartridges, containers of concentrated resin, synthetic cannabinoids, dozens of packages of THC gummies, marijuana, and packaging materials. The concentration of THC in many of the products exceeded the limit allowed in a hemp product and/or were not in child or tamper-resistant packaging. The investigation remains ongoing.
