I. PUBLIC HEARING

1. **85 Compo Road North / WPL-11858-23;** Application of JH Builders LLC to construct a new single-family dwelling. The proposed activity is partially within the WPL area of Dead Man's Brook.
2. **49 Owenoke Park / WPL-11863-23;** Application of Andy Soumelidis, on behalf of the owner, 49 Owenoke Park LLC, to construct an addition to an existing single-family dwelling. The proposed activity is within the WPL area of the Saugatuck River.

II. DISCUSSION

Upon completion of the Public Hearing, and time permitting, the Board will consider the following list of discussion topics:

- Prioritize and assist DPW in the approval and implementation of flood related projects involving watersheds in Westport.
- Work with RTM to revise Sec. 30-92. " Information to be submitted to Flood and Erosion Control Board " from Article IV - Waterway Protection, while allowing the F&ECB to review large projects if required, and to educate the RTM about what public input related to flooding the Board has received.
- Dedicate a minimum of 2 public discussion meetings per year to discuss updates on flood projects.
- Develop and implement an education campaign to help educate the public about flood and erosion issues in Westport.

Flood & Erosion Control Board, Wednesday, 10/04/2023

- Develop and implement a plan to educate the community on ways to help mitigate the impact of flooding and erosion on private and public properties.
- Advocate for supporting the town mitigation efforts by sharing the Board's perspective with the Board of Finance, state legislative leaders, and DEEP officials.
