## **NOTICE OF FIELD TRIP CONSERVATION COMMISSION**

The Westport Conservation Commission will conduct a site visit on **Friday, February 9, 2024 at 9:30 a.m.** for orientation purposes only to the following properties in preparation for reviewing the following agenda items at its February 14, 2024 Public Hearing:

- 1. Old Road Bridge over Sasco Creek at Fairfield Line:** Application #IWW,WPL-11868-23 by Keith S Wilberg, PE, Deputy Town Engineer on behalf of the Town of Westport, to remove the existing two lane bridge over Sasco Creek and replace it with a new bridge in approximate place and kind. Work is within the upland review area and the WPLO area of Sasco Brook.
- 2. 9 Tiffany Lane:** Application #IWW,WPL/E-11874-24 by Kate Throckmorton of Environmental Land Solutions on behalf of Selu Mihut for a proposed addition, deck, walk, and fence. Portion of the work are within the upland review area setbacks.
- 3. 9 Lakeview Road:** Application #IWW,WPL-11871-24 by Brian Carey of LandTech on behalf of Paul and Catherine Havas to demolish the existing structure and to construct a new FEMA compliant single family residence. Work is within the upland review area and the WPLO area of Pussy Willow Brook.
- 4. 85 Compo Road North:** Application #IWW,WPL-11873-24 by JH Builders LLC to construct a new single family residence, driveway, drainage, and associated site improvements. Work is within the upland review area setbacks and partially within the WPLO area of Deadman's Brook.
- 5. 7 Sea Spray Road:** Application #WPL-11872-24 by Bryan Nesteriak of B&B Engineering & Peter Cadoux of Cadoux Architects on behalf of Giselle Wagner & Paul Myserson to demolish the existing residence and to construct a new FEMA compliant single family residence, driveway, covered deck, terrace, walkways, and steps. Work is within the WPLO area of the Saugatuck River.

**Members will meet at the sites in their own vehicles. The sites might be especially wet and or be prone to ticks so appropriate clothing and footwear is recommended.**
