Application #: _____
----------------------

**WESTPORT™**

**SCHEDULE C: WETLANDS / WATERCOURSES**

**PROJECT ADDRESS:** Old Rd No. 2 over Sasco Brook

Due by 4:00 p.m. on January 11, 2024

1. Pursuant to Section 9.6.2 relating to Soil Sample Data – the applicant/agent is to submit copy of a report by a “soil scientist” duly qualified in accordance with standards set by the U.S. Civil Service Commission, showing soil sample data, soil classifications, and a surveyed delineation of wetland soils as flagged by the scientist, including flag numbers (as requested by agency).

*See attached soil and wetland report.*

2. Pursuant to Section 9.6.3 relating to Biological Evaluations – the applicant/agent is to submit a list and evaluation of the plant and animal life that may be found within, depend upon, or use the wetlands and watercourses (as requested by agency).

*See attached project description section "Natural Resources" for information on wildlife. See attached soil and wetland report p. 51 and 54 for vegetation present within site wetlands and uplands, respectively.*

3. Describe the anticipated impacts to wetlands and watercourses that may occur as the result of that portion of your proposal that may be located in wetlands, watercourses or their setbacks.

*See attached project description section "Natural Resources".  
 - add the full table*

4. Describe the mitigation that is being proposed as part of your application in order to minimize disturbance and pollution of wetlands and watercourses, maintain or improve water quality, and prevent destruction of or enhance the natural habitats and functions of the wetlands and watercourses.

*See attached project description section "Natural Resources".*

5. List the alternatives to the proposed application that were considered and the reason for their abandonment.

*See attached project description section "Proposed Project".*
