REQUEST TO ADD ITEM TO BOARD OF FINANCE AGENDA

To: Jennifer S. Tooker

From: Eileen Lavigne Flug, Assistant Town Attorney 

Date: May 6, 2024

**Re: Residential Lease – Longshore Cabin #1 – 260 Compo Road South**

I request that a proposed lease of Cabin #1 at Longshore Club Park be included in the next available, preferably May 22, 2024, agenda of the Board of Finance.

In accordance with the terms of the Town's Policy for Rental of Residential Housing Units, the rental of this property was offered to Town employees. Two employees expressed interest. A drawing was held in the Personnel Office on May 1, 2024, and Officer Dominique Carr of the Police Department was chosen.

The lease term will be for one year, after which the lease will become month-to-month, with each party having the right to terminate upon 30 days' notice.

The rental amount is the fair market rent of \$1,850 per month, increased annually by the New York-Northern New Jersey-Long Island CPI-U.

Officer Carr would like to commence renting on June 1, 2024. The item will be placed on the Board of Selectwomen's agenda the morning of May 22, 2024. Their approval will be subject to the Board of Finance's recommendation at their meeting later that evening.

If you have any questions or need any further information, please let me know.

Approved for Submission to the Board of Finance

**TOWN OF WESTPORT**  
**LEASE AGREEMENT**

This Lease, made as of the 1<sup>st</sup> day of June, 2024, between the Town of Westport, (hereinafter referred to as “Town”), and Dominique Carr and Jayme Thompson (hereinafter referred to, jointly and severally, as “You”).

For good and valuable consideration, the parties agree as follows:

**I. PREMISES**

The Town of Westport is renting to You and You are renting from the Town the premises at 260 Compo Road South, Cabin #1, Westport, Connecticut, together with any fixtures and appliances contained therein (hereinafter the “Premises”).

You have examined the Premises and as of the date of this Lease, they are in good order and repair.

**II. TERM**

Unless earlier terminated, the term of this Lease shall be one year commencing June 1, 2024 (the “Commencement Date”) and ending on May 31, 2025 (the “Lease Termination Date”).

**III. RENT; SCHEDULE OF PAYMENTS**

Commencing on the Commencement Date and continuing through the Lease Termination Date, You agree to pay a monthly rent of ONE THOUSAND EIGHT HUNDRED FIFTY AND 00/100 dollars (\$1,850.00). The rent shall be adjusted for any approved holdover tenancies in accordance with the Town’s Policy for Rental of Residential Housing Units.

Payment shall be made on or before the first day of every month during the term of the Lease at the Department of Parks and Recreation, 260 South Compo Road, Longshore Club Park, Westport, CT 06880.

**IV. SECURITY DEPOSIT**

You have deposited with the Town the sum of ONE THOUSAND EIGHT HUNDRED FIFTY AND 00/100 dollars (\$1,850.00) as security for the full performance by You of all of Your covenants and agreements in this Lease. Upon Your full compliance with the terms hereof, the security will be returned to You, together with the interest thereon as required by law, after the termination of the Lease.

**V. YOUR PROMISES AND OBLIGATIONS**

1. You shall pay the rent punctually without demand.

2. You shall pay all charges for all operating expenses and all utilities on the Premises, including, but not limited to fuel, telephone, gas, electric service, and garbage removal.
3. You shall remove all garbage, dirt, ashes, refuse and waste from the Premises.
4. You shall be responsible for snow removal.
5. You shall make no alterations in or to the Premises, including without limitation painting and wallpapering, without the Town's prior written approval. Any alterations and improvements built or placed on the Premises, except moveable personal property, shall be the property of the Town and, unless otherwise agreed to, shall remain on the Premises upon the expiration or termination of this Lease.
6. You shall not cause or permit any waste or injury to the Premises, nor to the fixtures, trees, shrubs, or appurtenances on the Premises.
7. You shall keep all furniture, fixtures and appliances that are included in the Lease in good order and repair, at Your own expense. You shall make all repairs and pay for or replace any damage, breakage, or loss of any leased furniture, fixtures, or appliances.
8. You shall also make all minor repairs to the Premises. A "minor repair" shall be defined as any single item of repair costing \$500.00 or less.
9. You shall comply with all laws of the State of Connecticut and any and all rules, ordinances, and regulations of the Town, as may relate to the Premises. You shall be responsible for all fines, penalties, and costs for any actual or threatened violation of any such laws, rules, regulations and ordinances.
10. You shall not assign this Lease nor sublet all or any part of the Premises, or transfer the use or possession of any fixture or appliance, without the Town's prior written consent. You shall not use or permit the Premises to be used except as a private residence. The Premises shall not be used for any hazardous activity or for the purpose of carrying on any business, profession, or trade of any kind.
11. The Premises shall be occupied by no more than two (2) adults. You may not permit other persons to join the household without notifying the Town and obtaining the Town's written permission.
12. You shall not permit the Premises to remain unoccupied for more than ten (10) days at one time without prior notice to the Town and its written approval.
13. You shall permit the Town or its agents to show the Premises to persons wishing to rent or purchase same during the last thirty (30) days of the term of this Lease.
14. You shall permit the Town or its agents to enter the Premises at reasonable times and upon reasonable notice to inspect or make necessary repairs. You will not unreasonably deny the Town the right to enter the Premises. The Town or its agents may enter the Premises at any time

in case of emergency.

15. Upon the termination of this Lease or Your occupancy of the Premises, You shall surrender the Premises and any furniture (other than furniture you provided), fixtures, and appliances to the Town in as good condition as they were at the beginning of this Lease, reasonable use and wear thereof and damage by the elements excepted. The Premises shall be left clean and in good order at the termination of this Lease.

16. You agree to use the same oil company for oil delivery and care and maintenance of the heating system as the Town presently uses.

17. You agree to leave the oil tank full at the end of the Lease.

18. You agree to maintain, throughout the term of this Lease, personal liability insurance for the benefit of both You and the Town in the amount of \$500,000.00. Said policy shall name the Town of Westport as an additional insured. Said policy is also subject to prior approval of the Town. The Town may review and adjust insurance requirements periodically, and You will provide additional types and amounts of insurance as the Town may require upon written request at any time while this Lease is in effect.

19. You shall deliver to the Town a certificate of insurance prior to execution of this Lease and a new certificate upon the renewal of any insurance policy.

## **VI. TOWN'S PROMISES AND OBLIGATIONS**

1. The Town represents that it has good right to Lease the Premises to You.

2. The Town shall deliver the Premises to You in good condition, with all appliances and systems in working order.

3. The Town shall permit You to use and occupy the Premises for the term of this Lease upon Your paying the rent and performing Your covenants and agreements.

4. If the Premises shall be partially damaged by fire or other causes (other than Your fault or negligence), the Town shall make the repairs as speedily as possible, at its expense. There shall be an abatement of rent for the time during which the Premises are damaged.

5. If the Premises are rendered unusable by fire or other casualty, You may vacate the Premises and terminate this Lease. If You decide to terminate the Lease, You must notify the Town in writing within fourteen (14) days after vacating that You are terminating the Lease. The Town shall then adjust the rent proportionately.

## **VII. ANIMALS**

No pets or animals of any kind shall be permitted on the Premises without the prior consent of the Town.

## **VIII. TERMINATION**

1. The Town shall have the right to terminate this Lease, if:

(a) Any payment of rent shall remain due and unpaid for fifteen (15) days after it shall have become due and payable.

(b) You fail to comply with any other covenant or agreement set forth herein within fifteen (15) days of receiving notice of Your failure to comply with such covenant or agreement.

2. If this Lease is terminated, the Town shall give You notice to quit possession or occupancy of the Premises.

3. If the Town waives any default by You, that will not affect the Town's rights upon a subsequent default.

4. If You are in default under this Lease and if the Town refers the matter to an attorney, You will pay the Town reasonable attorney fees. You will also pay the Town all of its other collection costs and expenses. You will also pay the Town reasonable attorney fees and court costs in the event of any holdover rental.

5. If the Town has the right to terminate this Lease, it may recover possession of the Premises in accordance with the laws of the State of Connecticut.

## **IX. ABANDONMENT**

If at any time during the term of this Lease You abandon the Premises, the Town may, at its option, enter the leased Premises by any means without being liable for any prosecution for such entering, and without becoming liable to You for damages or for any payment of any kind whatever and may, at its discretion, as agent for You, relet the leased Premises, or any part of the leased Premises, for the whole or any part of the then-unexpired term, and may receive and collect all rent payable by virtue of such reletting. The Town may hold You liable for any difference between the rent that would have been payable under this Lease during the balance of the unexpired term if this Lease had continued in force, and the net rent for such period realized by the Town by means of such reletting.

If the Town's right of re-entry is exercised following abandonment of the Premises by You, then Town may consider any personal property belonging to You and left on the Premises to also have been abandoned, in which case Town may dispose of all such personal property in any manner Town shall deem proper and is hereby relieved of all liability for doing so.

## **X. HOLDOVER BY YOU**

If You remain in possession of the Premises with the consent of the Town after the expiration of this Lease, a new tenancy from month-to-month shall be created between You and the Town which shall be subject to all the terms and conditions of this Lease Agreement, but which shall

be terminated by thirty (30) days' written notice served by either You or the Town on the other party.

**XI. GENERAL**

1. This Lease may be enforced against both You and the Town and our respective heirs, administrators, executors, successors, and assigns.
2. You understand that the Town has prepared and presented to You this Lease in a good faith attempt to comply with Connecticut General Statutes Section 42-151, et seq., the so-called Plain Language Bill.
3. Notices may be sent to You at the address of the Premises. Notices may be sent to the Town at 110 Myrtle Avenue, Westport, CT 06880.

**XII. INDEMNIFICATION**

You shall indemnify and save harmless the Town from any and all claims against the Town arising from any accident, injury, or damage whatsoever caused to any person or to the property of any person and occurring during the term of this Lease where such accident, injury, or damage results, or is claimed to have resulted from any of Your acts, omissions or negligence or your agents, employees, invitees or visitors.

**XIII. FAIR HOUSING POLICY**

The Town of Westport does not discriminate against any person in the leasing of any Town-owned premises because of race, color, national origin, ancestry, creed, marital status, age, familial status, disability, lawful source of income, sex or sexual orientation, gender identity or expression, or Veteran status.

Comments on market data, including the range of rents for single family properties, an estimate of vacancy for single family rental properties, the general trend of rents and vacancy, and support for the above adjustments. (Rent concessions should be adjusted to the market, not to the subject property.)

The town of Westport has a limited number of rental opportunities. This keeps rental values relatively stable overall. The above rents were from closed Mls listings during the past 12 months. There appears to be reasonable demand for rental properties in the town of Westport. Rental concessions are not common in this market.

Lender/Client Town of Westport						

**PURPOSE OF THE ASSIGNMENT**

The purpose of this assignment is to render an opinion of the market rent of the subject property as of the date of the inspection. The intended user of the report is the Town of Westport. The function of the assignment is to assist the client in estimating market rent.

**SCOPE OF THE ASSIGNMENT**

The scope of this assignment included inspection of the unit, and information obtained from public records, and the Smart Multiple Listing Service for the purpose of developing a Rent Schedule. The appraiser is not a home inspector, and noted observations is not a home inspection. The walk through cannot be relied upon to disclose hidden defects that are not apparent from a visual observation of the subject property. The testing of systems (structural, electrical, mechanical, heating, cooling, plumbing) and components (such as appliances, fixtures, doors, windows, etc) lies outside of the scope of this assignment.

**COMMENTS ON THE SUBJECT**

The appraiser previously completed a rent schedule for the property during 2018. At that time, a contact at the Westport Parks and Recreation Department indicated that cabins were originally built for seasonal use, and are not insulated. They have become used for year round living over the years. It is assumed that heating costs are higher, and may have minor influences some livability when compared to more typical homes in the area. Cabin #1 was vacant at that time of the walk through. Contact indicated that new carpeting is scheduled to be installed prior to unit being rented. The seasonal construction influences are not duplicated in the rental data available. Consideration is given for additional heating costs / appeal associated with the occupancy of seasonal homes for year round use in grid. Comparable properties with no utilities included adjusted approximately 10% of rental cost. Properties with full or partial utilities in rental cost adjusted 5%.

The location within Longshore Park appears to be more of a personal preference in market rather than a value consideration.

**RECONCILIATION OF MARKET RENTS**

Due the limited supply of comparable rental data available, rental comps were considered from detached homes and multi family homes, attached apartments, apartment buildings, and mixed use properties. Condominiums were not considered. The rental comps included offered the most similar general features, amenities, and overall appeal in the current market. Comps 3 and 4 also represents the most affordable 2 bedroom rentals available in the town of Westport at the present time. As noted in the subject's comments above, consideration of the additional costs / appeal associated with the occupancy of seasonal homes for year round use are made in grid. It is the appraiser's opinion the lower to mid range would be considered appropriate for the subject for the purpose of this rent schedule.

**Assumptions, Limiting Conditions & Scope of Work**

File No.: 24032602

Property Address:	260 Compo Rd S #1	City:	Westport	State:	CT	Zip Code:	06880
Client:	Town of Westport	Address:	110 Myrtle Avenue, Westport, CT 06880				
Appraiser:	Lee DuBrow	Address:	P.O. Box 822, Westport, CT 06881				

**STATEMENT OF ASSUMPTIONS & LIMITING CONDITIONS**

- The appraiser will not be responsible for matters of a legal nature that affect either the property being appraised or the title to it. The appraiser assumes that the title is good and marketable and, therefore, will not render any opinions about the title. The property is appraised on the basis

of it being under responsible ownership.

- The appraiser may have provided a sketch in the appraisal report to show approximate dimensions of the improvements, and any such sketch

is included only to assist the reader of the report in visualizing the property and understanding the appraiser's determination of its size.

Unless otherwise indicated, a Land Survey was not performed.

- If so indicated, the appraiser has examined the available flood maps that are provided by the Federal Emergency Management Agency (or other

data sources) and has noted in the appraisal report whether the subject site is located in an identified Special Flood Hazard Area. Because the appraiser is not a surveyor, he or she makes no guarantees, express or implied, regarding this determination.

- The appraiser will not give testimony or appear in court because he or she made an appraisal of the property in question, unless specific arrangements to do so have been made beforehand.

- If the cost approach is included in this appraisal, the appraiser has estimated the value of the land in the cost approach at its highest and best

use, and the improvements at their contributory value. These separate valuations of the land and improvements must not be used in conjunction

with any other appraisal and are invalid if they are so used. Unless otherwise specifically indicated, the cost approach value is not an insurance

value, and should not be used as such.

- The appraiser has noted in the appraisal report any adverse conditions (including, but not limited to, needed repairs, depreciation, the presence

of hazardous wastes, toxic substances, etc.) observed during the inspection of the subject property, or that he or she became aware of during the

normal research involved in performing the appraisal. Unless otherwise stated in the appraisal report, the appraiser has no knowledge of any

hidden or unapparent conditions of the property, or adverse environmental conditions (including, but not limited to, the presence of hazardous

wastes, toxic substances, etc.) that would make the property more or less valuable, and has assumed that there are no such conditions and

makes no guarantees or warranties, express or implied, regarding the condition of the property. The appraiser will not be responsible for any

such conditions that do exist or for any engineering or testing that might be required to discover whether such conditions exist. Because the

appraiser is not an expert in the field of environmental hazards, the appraisal report must not be considered as an environmental assessment of

the property.

- The appraiser obtained the information, estimates, and opinions that were expressed in the appraisal report from sources that he or she considers to be reliable and believes them to be true and correct. The appraiser does not assume responsibility for the accuracy of such items

that were furnished by other parties.

- The appraiser will not disclose the contents of the appraisal report except as provided for in the Uniform Standards of Professional Appraisal Practice, and any applicable federal, state or local laws.

- If this appraisal is indicated as subject to satisfactory completion, repairs, or alterations, the appraiser has based his or her appraisal report

and valuation conclusion on the assumption that completion of the improvements will be performed in a workmanlike manner.

- An appraiser's client is the party (or parties) who engage an appraiser in a specific assignment. Any other party acquiring this report from the

client does not become a party to the appraiser-client relationship. Any persons receiving this appraisal report because of disclosure requirements

applicable to the appraiser's client do not become intended users of this report unless specifically identified by the client at the time of the assignment.

- The appraiser's written consent and approval must be obtained before this appraisal report can be conveyed by anyone to the public, through advertising, public relations, news, sales, or by means of any other media, or by its inclusion in a private or public database.

- An appraisal of real property is not a 'home inspection' and should not be construed as such. As part of the valuation process, the appraiser performs a non-invasive visual inventory that is not intended to reveal defects or detrimental conditions that are not readily

apparent. The presence

of such conditions or defects could adversely affect the appraiser's opinion of value. Clients with concerns about such potential negative factors

are encouraged to engage the appropriate type of expert to investigate.

The Scope of Work is the type and extent of research and analyses performed in an appraisal assignment that is required to produce credible assignment results, given the nature of the appraisal problem, the specific requirements of the intended user(s) and the intended use of the appraisal report. Reliance upon this report, regardless of how acquired, by any party or for any use, other than those specified in this report by

the Appraiser, is prohibited. The Opinion of Value that is the conclusion of this report is credible only within the context of the Scope of Work, Effective Date, the Date of Report, the Intended User(s), the Intended Use, the stated Assumptions and Limiting Conditions, any Hypothetical Conditions and/or Extraordinary Assumptions, and the Type of Value, as defined herein. The appraiser, appraisal firm, and related parties assume no obligation, liability, or accountability, and will not be responsible for any unauthorized use of this report or its conclusions.

Under USPAP Standards Rule 2-2(b), this is a Restricted Appraisal Report, and is intended only for the sole use of the named client. There are no other intended users. The client must clearly understand that the appraiser's opinions and conclusions may not be understood properly

## DEFINITION OF MARKET VALUE \*:

Market value means the most probable price which a property should bring in a competitive and open market under all conditions requisite to a fair sale, the buyer and seller each acting prudently and knowledgeably, and assuming the price is not affected by undue stimulus. Implicit in this definition is the consummation of a sale as of a specified date and the passing of title from seller to buyer under conditions whereby:

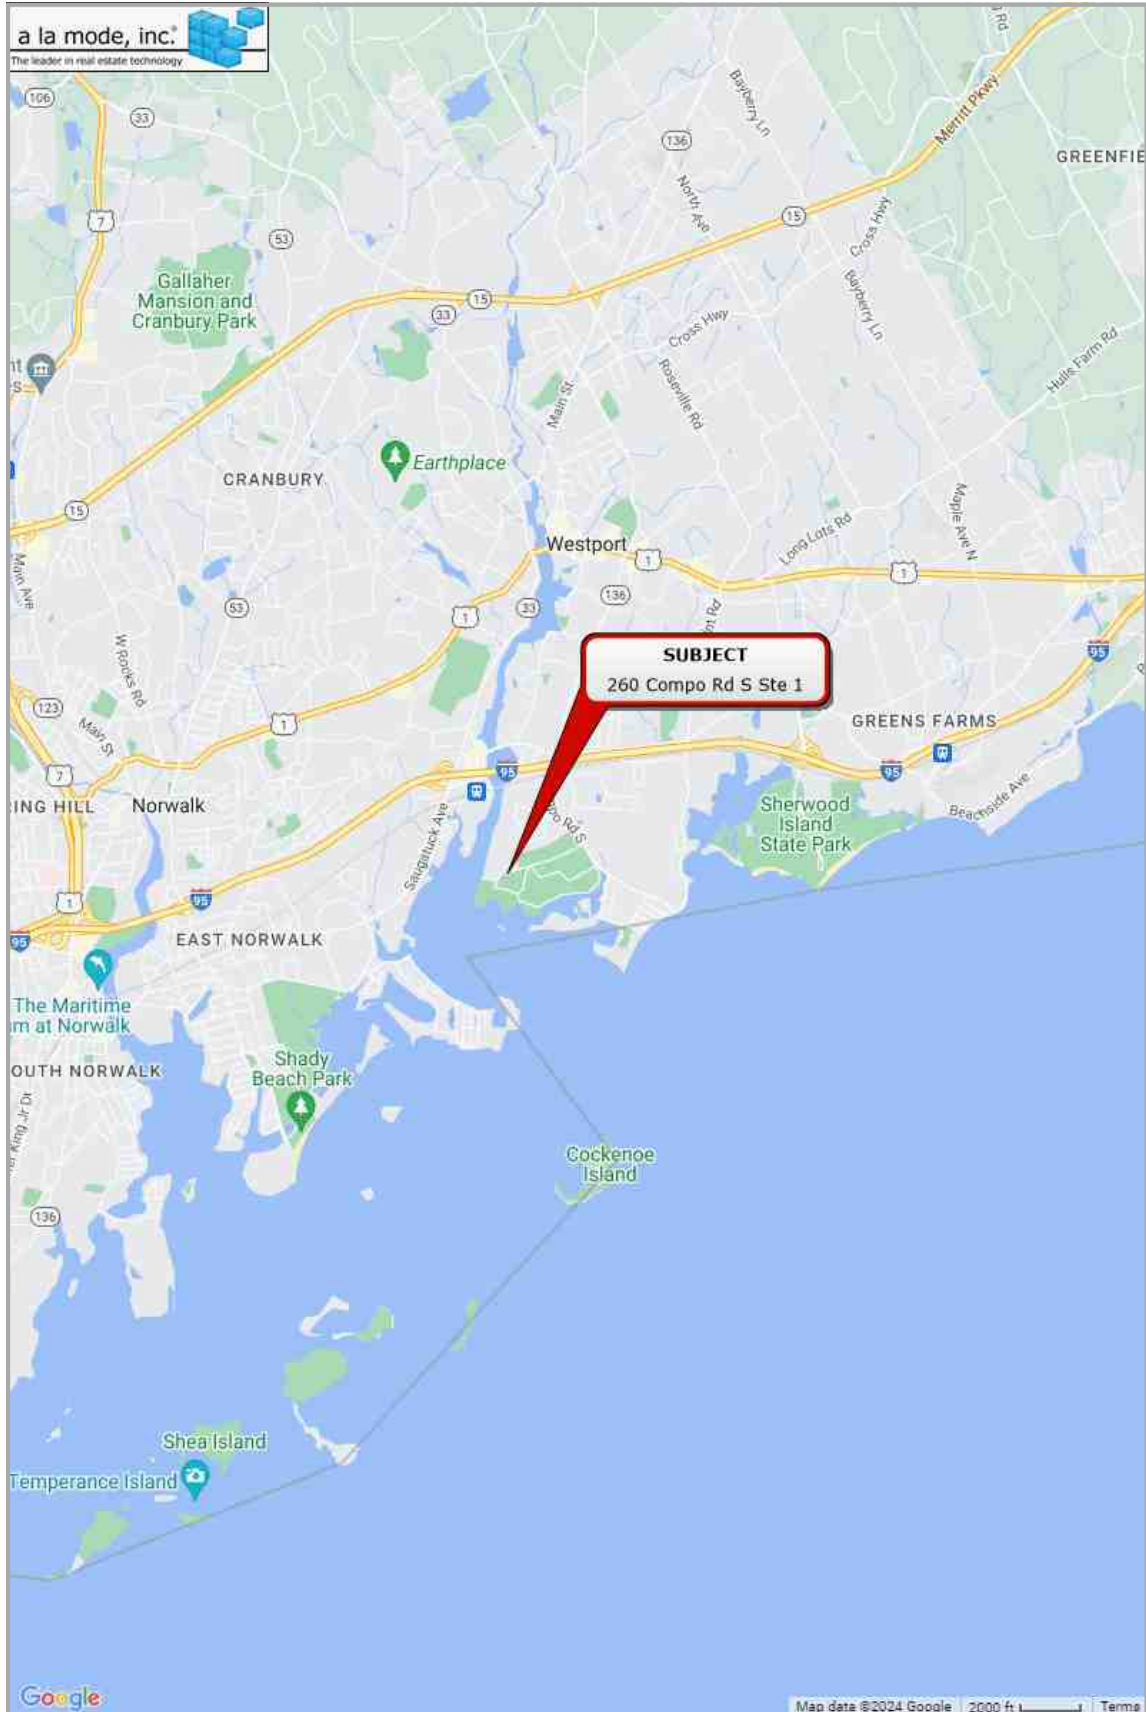

1. Buyer and seller are typically motivated;
2. Both parties are well informed or well advised and acting in what they consider their own best interests;
3. A reasonable time is allowed for exposure in the open market;
4. Payment is made in terms of cash in U.S. dollars or in terms of financial arrangements comparable thereto; and
5. The price represents the normal consideration for the property sold unaffected by special or creative financing or sales concessions granted by anyone associated with the sale.

\* This definition is from regulations published by federal regulatory agencies pursuant to Title XI of the Financial Institutions Reform, Recovery, and Enforcement Act (FIRREA) of 1989 between July 5, 1990, and August 24, 1990, by the Federal Reserve System (FRS), National Credit Union Administration (NCUA), Federal Deposit Insurance Corporation (FDIC), the Office of Thrift Supervision (OTS), and

MEMO TO: Board of Finance

MEMO FROM: Jennifer A. Fava, Director of Parks and Recreation 

DATE: April 8, 2024

RE: **Appropriation Request for Replacement Fuel Dock at Ned Dimes Marina**

The Parks and Recreation Department requested the attached proposal from Bellingham Marine related to the replacement of the fuel dock for the Ned Dimes Marina. This is one portion of the larger project that includes the replacement of critical elements of the Ned Dimes Marina (fuel dock, three pier structures, electrical system).

The scope of services includes the design, fabrication, and delivery of a fuel dock and electrical pedestals.

The Department requests \$170,000 for this portion of the project which includes:

Unifloat Dock System Materials (design and fabrication as noted in proposal)	\$150,250
Electrical Pedestals (as noted in proposal)	\$3,815
10% Contingency	<u>\$15,406.50</u>
TOTAL	\$169,471.50

A 10% contingency has been included in the event of the potential need for additional items or design modifications, pending the results of the Site Data Collection being completed by RACE Engineering under a previous appropriation.

Bellingham Marine is the sole source supplier for the dock system at Ned Dimes Marina, therefore, an RFP and bid was not issued. Bellingham Marine was selected to keep all dock fabrication at Ned Dimes Marina consistent to allow for ease of maintenance and minimize required parts on hand in the event future repairs are needed.

Therefore, we request an appropriation of \$170,000 along with bond and note authorization to the Municipal Improvement Fund.

This mutual waiver is applicable, without limitation, to all consequential damages due to either party's termination in accordance with this Proposal and/or to any claims or disputes arising out of or related to this Proposal.
- 3.18 ENTIRE CONTRACT: When accepted by Buyer, this Proposal shall constitute the entire agreement between the parties. Its terms shall be controlling in the event same are inconsistent with any plans, specifications, bid invitation, purchase order, subcontract, or other instrument furnished by Buyer.

Acceptance of any offer made by BMI is expressly limited to the exact terms contained in this proposal and any attempt to alter or omit any of such terms shall be deemed an acceptance of the offer, except that any altered or omitted terms shall not be binding on BMI unless BMI has specifically agreed to such altered terms in writing.

LONGSHORE CLUB PARK  
260 COMPO ROAD SOUTH, WESTPORT, CT 06880

**MEMO TO:** Board of Finance

**MEMO FROM:** Jennifer A. Fava, Director of Parks and Recreation 

**DATE:** April 29, 2024

**RE:** **Appropriation Request for Parks Master Plan**

In 1992 the town completed its last Master Plan for Parks & Recreational Facilities. This type of plan serves as an important tool in assessing, defining, and planning facilities into the future. It is time that the Town undertakes this process again to help guide the Department in future decisions.

An RFP was issued that outlined in great detail the goal and scope of the desired Parks Master Plan. As set forth in the RFP, the plan is to provide recommendations for a systematic and prioritized approach to implement parks projects and provide clear direction regarding development, improvement, maintenance and operation of Westport's parks and facilities. It will:

- Assess and identify park and facility needs
- Determine what improvements, changes or additions should be made to existing parks and facilities
- Determine any need for additional facilities
- Develop strategic, measurable and obtainable recommendations
- Develop a 10-year action plan for implementation
- Provide maintenance recommendations and standardization
- Develop infrastructure standardization
- Assess and identify budgetary needs

As part of the review process, the selected firm will facilitate wide ranging community engagement, as well as working with staff and stakeholders. They will take into consideration inventory and site assessments of current facilities, national and local trends, a level of service analysis, an operations and maintenance analysis, as well as a community demand, supply and needs assessment that will result in recommendations for facility improvements and possible future expansion.

Three proposals were received ranging in cost from \$198,373 to \$251,150. Two firms were selected for the interview process. Based upon the proposals and interviews, BL Companies has been selected for this project. In anticipation of the potential for additional meetings and the

possibility of additional scope to be added to the project, a 10% contingency has been added for the appropriation request.

Proposed Cost	\$239,250
10% Contingency	<u>\$ 23,925</u>
TOTAL	\$263,175

As indicated in the 10 Year Capital Forecast, the Parks Master Plan is slated for FY24.

The Parks and Recreation Department Requests an appropriation in the amount of \$265,000 to be paid from the American Rescue Plan Act (ARPA) Fund for the completion of this plan.

Dear Ms. Tooker,

This office herein requests an appropriation to the Municipal Improvement Fund along with Bond and Note Authorization in the amount of **\$990,000.00** for Phase I of the Cross Highway School Zone Corridor Improvements, between Wakeman Farm Road and Bayberry Lane. The Town was awarded a Small Town Economic Assistance Program, (STEAP), grant in September of 2023, in the amount of \$500,000.00 toward this project. This project is in the capital forecast at a funding level of \$900,000.00. The \$500,000.00 Grant will be reimbursed as the work gets completed. The remaining funds, \$490,000.00, represent the Town's required contribution to the project and will not be reimbursed.

The project includes sidewalks, Handicap Ramps, crosswalks, two Rapid Rectangular Flashing Beacons, drainage improvements, guardrail improvements, and traffic control during construction.

The work will be bid out utilizing our normal purchasing procedure, and we anticipate doing the construction during the summer of 2024.
