Re: Request for Wetland Boundary Map Verification
Application #IWW/M-11928-24
2 Webb Road, Westport, CT

Dear Ms. Jaehnig:

An application has been submitted to the Westport Conservation Commission which proposes to amend the wetland boundary on the property located at 2 Webb Road. This letter is written to request your services to review the material submitted and to conduct a site inspection verifying the proposed boundary and soil classification.

Enclosed for your use is the application, a copy of the Town's GIS map showing the existing wetland boundary, and the survey map dated April 5, 2024, last revised to May 7, 2024. The Wetland Delineation Report, by Aleksandra Moch, Soil & Wetland Scientist, dated March 12, 2024, is provided. A wetland boundary marked with Flags #1 through #7 is indicated on the sketch map and survey.

Our meeting for the map amendment application is scheduled for June 12, 2024. A report from you, received by June 5, 2024, would be greatly appreciated.

Thank you and please contact this office should you have any questions.

Sincerely,

A handwritten signature in black ink, appearing to read 'Colin Kelly'.
