Policy Regarding Parking Violation Hearings

Connecticut General Statute 7-152b requires the traffic authority of each Town to appoint a hearing officer who must not be an employee of the Police Department.

The Westport Traffic Authority appointed Attorney Wynne Bohonnon and Attorney Marlene Macaуда as the hearing officers.

Policy

Anyone who has received a parking violation citation within the Town of Westport may appeal the citation online. Visit westportct.gov/police and click Pay Parking Ticket. Please be sure to complete the entire application. The appeal must be received within **14 days** of the citation issuance.

All applications for a parking citation appeal will be reviewed. Upon this review, the citation is either voided, necessitating no further action, or a date is assigned for a hearing. In either case, the individual shall be notified by email or mail.
