To the Board:

My wife and I have lived at Old Mill for 36 years. One of the first reasons we decided to live there was having the store nearby. At that time, beer was sold (Ken Montgomery days). Obviously, the retail landscape has changed, but we implore the Board to approve the sale of wine and beer and to allow a food cart to operate freely. It creates a warm and inviting atmosphere to our neighborhood, the area, and the town. The benefits to all outweigh the individual enhancement of a few (even the one who has a very large fireworks party with alcohol being served on Old Mill Beach).

Thank you for your time and consideration to this matter
