Hi Michael,

Thank you again. Sorry to bother you with this, but like you said, contractors make mistakes. But I'm glad it got us talking again and I hope we can get together in the near future.

All I need is an acknowledgement from you that you are aware our generator and pool equipment are in the setback and that you are okay with that. You don't even need to print it out and sign it - it can just be an email response to this email.

Thanks again,

Best,

Amy
