Dear ZBA members:

My neighbors Bobbi and Eliot Essagof are adding an elevator to their home on Saugatuck Island.

The Essagof home at 120 Harbor Road has been lifted to FEMA standards and therefore you have to walk many steps to get any of the floors. Bobbi sadly has MS and it makes it all the more difficult to manage the staircases. I hope you will grant them the height variance. It will make all the difference in Bobbi's quality of life.

Thank you for your consideration.

Sincerely:

Liz Milwe
