Dear ZBA,

My name is Stephen Strong and I am a neighbor of Bobbi and Elliot Essagof. I also reside/own their former home and am a physician in Westport.

I write to voice my opinion that this variance should be allowed. Given that I am one of the neighbors who is most directly in view of this variance I can personally reassure the board that this is not a problem. I think this will improve Elliot and Bobbi's quality of life substantially and aid in their health and well being while resulting in minimal if any downsides.

Sincerely,
Stephen Strong
