Dear Members of Planning and Zoning,

This letter is in support of renovating the barn at Wakeman Town Farm (WTF). WTF is simply one of the jewels of Westport that continues to bring families and a strong tax base to our community.

This expansion will support more amazing classes, kids programming, and educational opportunities for families which have grown and outstripped the current space. This investment reinforces WTF's mission to be a demonstration Farm that connects us with our food, the environment and most importantly with each other. This is a no-brainer for Westport and I hope you will give it your full support.

Thanks,  
Jaime and Erika Smith
