Dear Members of the P&Z and ZBA,

I am writing to express my strong support for the proposed renovation of the barn at Wakeman Town Farm for the expansion of its footprint to accommodate a small ADA compliant bathroom. As a resident of Westport and culinary instructor at Wakeman Town Farm for individuals with developmental disabilities, I am confident the proposed minimal extension of the barn by 3' to accommodate an ADA bathroom, would not only have a huge impact on those individuals but all those visiting the farm.

The expanded barn will serve as an important hub for the community. The Farm has become a cherished asset in our town and these improvements will ensure that it continues to meet the needs of current and future generations.

I respectfully urge the ZBA to approve this project, as the minimal expansion will have little impact on the surrounding area, while the benefits to the community will be significant and long-lasting. Thank you for your consideration.
