Subject: Please focus on community!

Being in the beach community for nearly 20 years, raising children, I hope we can all come together in supporting OMG. Our family was often at Positano (which we miss very much) and children were always at Old Mill Grocery (Elvira's) with friends growing up. We love OMG and we also love the Romanacci management.

I hope the people making this difficult for so many families can put their own desires aside for the greater good. Allowing wine and beer, ice cream cart and picnic tables allows the market to thrive while also allowing us neighbors to come together within walking distance of our homes and the beach.

Please allow OMG to continue to foster a greater sense of community for the next generation of young families. Please put aside selfish desires and consider how much this means to the Compo Beach community.

Thank you for your consideration.
