Dear Commissioners,

As long-time residents of Westport, we are writing to express our strong support for Text Amendment 846, which pertains to the Old Mill Grocery & Deli. This establishment has been a cherished part of our community for over a century, serving as a gathering place and a source of local pride.

We understand that the Old Mill Grocery & Deli is now operated by the Romanacci group, in partnership with the Soundview Empowerment Alliance (SEA). This collaboration not only preserves the historic character of the building but also provides meaningful job training opportunities for individuals with disabilities. This dual mission enriches our community by fostering inclusion and maintaining a beloved local institution.

Approving Text Amendment 846 will enable the Old Mill Grocery & Deli to continue its legacy of service and inclusion, benefiting all residents of Westport.

Thank you for your consideration.
