RE: 20 Fairfield Ave – Zoning Board of Appeals

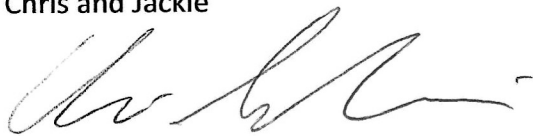

As you are aware, we are scheduled to the Zoning Board of Appeals in a public hearing this Tuesday November 12, 2024. We are seeking approval for the below referenced variance which would allow us to close in the rear left corner of the house.

20 Fairfield Ave: #ZBA-24-00450 submitted by Jason Raymond, Raymond Design Builders, on behalf of the property owner Christian and Jacqueline Schiavone, for variance of the Zoning Regulation: §13-6 (Building and Total Coverage) to construct a FEMA compliant addition, located in Residence A district, PID#D03086000.

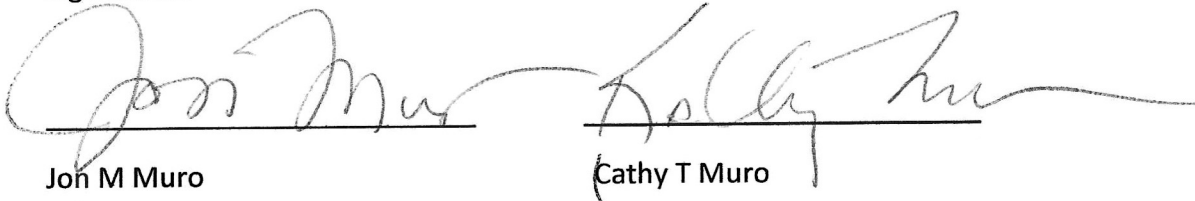

We would like to confirm, through your signature below, that you are supportive of the proposed project.

Much appreciated,

Chris and Jackie
